The Spread of Economic Ideas and the Political Economy Paradigm Shift in Eastern Europe Paul Dragoş Aligică,2004 The fast political and economic transition from communism to democracy and market economy in Eastern Europe in the 1990 s has been preceded by a lengthy and yet unfinished transition in the realm of economic and political ideas The change in the realm of ideas was the basic precondition and one of the major forces that set into motion the transformations leading to the collapse of the communist regime and the emergence on its ruins of a liberal order The dissertation is an attempt to explore one specific aspect of this change of ideas phenomenon the political economy paradigm shift The study traces the process of diffusion of Western economic ideas during the ten years before and after 1989 through a comparative examination of nine East European countries It systematically investigates using expert surveys content analysis and international databases the institutions networks and channels associated to this process The study goes beyond a descriptive account and examines the paradigm shift by applying it a series of theories models and interpretive frameworks meant to identify the mechanisms and processes through which the most fundamental ideas about institutional order are selected The result is not only a systematic description of how the Western political economy ideas diffused in Eastern Europe but also an assessment of the factors and mechanisms facilitating or hindering this process

Eastward Enlargement of the European Union Heather Grabbe,Kirsty Hughes,1997 The transformation of the economic political and security environment since the end of the Cold War leaves Europe with the challenge of developing appropriate new structures and policies The eastward enlargement of the European Union raises major political economic and institutional issues for the EU itself and for the applicant countries of central and eastern Europe This paper analyzes the prospects for

and progress towards enlargement and the implications for the future development of the EU **Reconstructing Nations**
 Nadav Gershon Shelef, 2005 *Honderd jaar sociale zekerheid in Nederland*, 2003 Artikelen over de geschiedenis en de te
 verwachten ontwikkelingen van de sociale zekerheid in Nederland Tourism in Transition Allan Williams, Vladimir
 Balaz, 2000-09-15 This text provides a detailed analysis of the role of tourism in the economic transition which has swept
 central and eastern Europe since 1989 It includes work on privatization which should be of interest to social scientists and
 tourism specialists *European Spatial Research and Policy*, 2004 **Europe** Marguerite Mendell, Klaus Nielsen, 1995
 With these essays the writers help to put the mass of changes in the former USSR and the Eastern Bloc into a larger
 historical and sociological perspective by considering the social complexity which surrounds any political and economic
 system Seen in this light it is easier to understand why the surgical implants of the free market into Eastern Bloc and former
 Soviet countries have not been accepted *Governing after Communism* Vesselin Dimitrov, Klaus H. Goetz, Hellmut
 Wollmann, 2006-05-04 This timely comparative analysis explores the evolution of governance in Central and Eastern Europe
 The book considers post communist leaders key challenge the development of central government institutions capable of
 coordinating integrating and steering the policymaking process Building on a broad range of primary sources and extensive
 field research the distinguished authors analyze the processes and outcomes of institution building in Hungary Poland the
 Czech Republic and Bulgaria since the late 1980s They examine in detail the organization and inner workings of central
 executives explain differences in executive trajectories across time and countries by considering the influence of institutional
 legacies the impact of evolving party systems and the role of crises in spurring institutional change and show the effects of
 executive institutions on patterns of public policy especially the budgetary process Through a rigorous application of the core
 executive framework this study offers nuanced conceptual and analytical insights that will enhance understanding of both the
 evolving institutions of Central and Eastern Europe and the more stable West European systems The in depth analysis of the
 development of national executive institutions casts a distinctive new light on debates about EU enlargement
 Europeanization and patterns of governance
