Strategic Human Resource Management:

Strategic Human Resource Management Mike Millmore, Philip Lewis, 2007 A guide to managing human resources strategically this book provides a holistic overview of the strategic HRM territory explaining how key HR topics can be thought about strategically. It critically examines strategic practice in ten key HR disciplines and the complexities surrounding their strategic implementation

Strategic Human Resource Management: A Balanced Approach Paul Boselie, Beatrice van der Heijden, 2024-05-07 The highly anticipated third edition of Strategic Human Resource Management offers a fresh perspective on SHRM. Bringing together a wealth of expertise in HRM, Work and Organizational Psychology and Organizational Behaviour, the authors provide a balanced approach to structuring and solving real life HR issues in organizations. This new edition aligns Human Resource practices with both the internal and external organizational context and takes a critical perspective on economics, sustainability, psychology, sociology, and industrial relations. Its unique multi-level approach includes the individual, employee, teams, business units, organizations, sectors, and countries to build a more balanced people management value chain. New additions: New chapter on Career Development, New Activity Boxes to encourage practical application of theory, New case studies throughout including Google, easyJet and Ikea, Major revisions to chapters to highlight sustainable career development, employability, digitalization, and diversity, Major update of the scientific literature references. Key Features: Cases and Discussion Questions provide real world scenarios and issues to illustrate contemporary HR issues in practice. Stop and Reflect Boxes throughout each chapter are designed to encourage students to critically evaluate topics and issues raised and how they can be applied to real life situations. Personal Development Boxes help students think about how to link theoretical concepts with the development of personal skills appropriate to effective HRM. Experiential Exercises present Individual and Team tasks that can be used as in class exercises encouraging students to learn from direct experiences. Paul Boselie is Professor in Public Administration, Organization Science at Utrecht University, the Netherlands. His research traverses human resource management, institutionalism, strategic management, and industrial relations. Beatrice van der Heijden is Professor in Strategic Human Resource Management at Radboud University, the Netherlands, and Head of the SHRM Department. Her research and teaching are focused on strategic human resource management, sustainable careers, employability, and aging at work.

Strategic Human Resource Management Catherine Bailey, David Mankin, Clare Kelliher, Thomas Garavan, 2018 What is strategic HRM and how do you apply it in business? What makes good HR strategy and how do you develop it? What are the key issues that need to be considered when creating, developing, and embedding a strategic approach to managing people? These are the fundamental questions asked by HR professionals and tackled in this innovative and comprehensive textbook. Drawing on the latest academic research, the well-respected author team take a reliably thematic approach to SHRM. Broken into four distinct parts, the book addresses the context, theories, themes, and future of managing people strategically. Case studies and examples include Tata Motors.
