**Talk Nerdy to Me** C. M. Owens, 2018-10 Despite the fact it seemed like *Base Masters* was all over Sterling Shore I'd never really known much about him aside from random factoids. Things like he's a semi estranged cousin of one of my brother's friends plays guitar in a local band and he doesn't get mentioned much unless he's on stage. Until he decided I was going to be his first real life muse moved himself into my spare room and started splashing the walls with pictures of my face next to his lyrics. His weirdness differs from mine but he'd be a perfect candidate for my hymen situation. Then I could finally move on to the next personal challenge on my list. The only problem is that he's yet another man afraid of a virgin I genuinely never expected it to be so difficult to lose one's virginity. I think the world has filled me with false expectations of debauchery coming so easily. The human element always messes up the plans in my head.
