## **Talk Show Down:**

Showdown Elizabeth Drew, 1997-02-18 The Struggle Between the Gingrich Congress and the Clinton White House Showdown is the story of the most dramatic political rivalry in decades The Democratic President brilliant but seen as indecisive and vulnerable is directly challenged by the equally brilliant new Republican Speaker of the House who seeks to complete the Reagan Revolution by repealing the Great Society and the New Deal In her last book the highly acclaimed On the Edge The Clinton Presidency Elizabeth Drew took readers on a revealing tour behind the scenes of Bill Clinton's White House during his first year and a half in office showing us how and why his administration failed Then came the 1994 congressional elections in which the Republicans gained control of the Congress including the House for the first time in forty years This tremendous victory long planned by Newt Gingrich left the Democrats stunned and confused and set the stage for the Republicans to attempt a dramatic possibly historic rearrangement of the country's politics Drew writes with proven authority and intimate detail of the titanic battle that ensued between the Clinton administration and the Republican Congress especially between the wavering President and the determined Speaker Drew's masterly reporting exposes the range of Gingrich's ambition and the way he sought to control the House She describes Gingrich's complex relationship with Senate Majority Leader Bob Dole who no enthusiast struggled to keep up with Gingrich's revolution and shows the impact the race for the Republican presidential nomination in particular between Dole and Senator Phil Gramm had on national policy Through amazingly candid interviews with key congressional figures Drew elicits exactly how the GOP leadership formed a strategy to roll back the welfare state and destroy the power of the Democratic base She again takes us behind the scenes to show us what the key players on both sides were doing and saying privately as they waged their all out war She tells us what the outwardly confident Gingrich worried about She shows President Clinton trying to regain his footing following the devastating election a humiliation that he and his wife took much harder than was publicly understood and turning to a new key adviser Dick Morris Drew describes what effect Morris a former Republican adviser had on Clinton and the new strains within the White House his arrival caused She presents a White House more riven than any in memory Showdown makes clear the enormous stakes of this political struggle no less than the future direction of the federal government and the fate of programs that affect everyone's life **Texas Ranger Showdown** Margaret Daley, 2018-04-01

When a radio therapist is taunted by a killer she turns to the Texas Ranger she once loved in the USA Today bestselling author's romantic suspense novel Between her private practice and her Texas radio call in show Dr Caitlyn Rhodes has built a successful career as a therapist But when a methodical murderer starts targeting her clients her worlds starts to come apart Then the mocking phone calls start Someone very dangerous is tormenting Caitlyn and the evidence is pointing Texas Ranger Ian Pierce to one chilling conclusion He must protect Caitlyn from becoming this vicious killer's next victim before he loses the woman he once loved for good *The Biographical Encyclopedia of American Radio* Christopher H. Sterling, Cary

O'Dell, 2013-05-13 The Biographical Encyclopedia of American Radio presents the very best biographies of the internationally acclaimed three volume Encyclopedia of Radio in a single volume. It includes more than 200 biographical entries on the most important and influential American radio personalities: writers, producers, directors, newscasters, and network executives. With 23 new biographies and updated entries throughout, this volume covers key figures from radio's past and present, including Glenn Beck, Jessie Blayton, Fred Friendly, Arthur Godfrey, Bob Hope, Don Imus, Rush Limbaugh, Ryan Seacrest, Laura Schlesinger, Red Skelton, Nina Totenberg, Walter Winchell, and many more. Scholarly but accessible, this encyclopedia provides an unrivaled guide to the voices behind radio for students and general readers alike. *Showdown with the Power of Darkness* Carol Metzger Cobb, 2018-08-15 Each day that passed I was drifting deeper and deeper into a personal hell, unable to sleep or rest, seemingly helpless at the mercy of a sinister force that was literally trying to draw the life out of me. On several different occasions throughout my life I had come eerily close to losing my life, yet each time I was miraculously rescued. Whatever the reason, I was sure of one thing: since I was a child, a negative force was operating in my life, and this time it wasn't giving up without a fight. The real questions remained: Why me? Could it be conquered? And most importantly, could I be free of it? With the help of God and His Word, my husband, my friends, Christian radio, Christian literature, as well as some lessons I learned in Karate class, I would take a journey through my past, a journey in search of a key—the one and only key that could seal the door shut on my oppressor once and for all. Truly, this was a showdown with the power of darkness. Carol has done an outstanding job at sharing her life story in such an honest way that we all can identify easily with her hurts, struggles, and strongholds. At a point of hopelessness, it all comes together as she recognizes God with her in every situation from her past. It is an amazing journey of finding freedom and healing from inner struggles and demonic oppression. I believe everyone who reads *Showdown* can relate in some way and will be blessed as they too come to understand how to overcome and to find freedom from the power of darkness. Pastor Tim Gamwell **Series Showdown** Mark Freeman, 1989 It's World Series time for the Rosemont rookies. Boston's power hitter Dave DT Green will be batting against L.A.'s new pitching ace Magic Ramirez. Only one team can win, but will friendship be the loser when the final pitch is thrown. **Flag Burning and Free Speech** Robert Justin Goldstein, 2000 When Gregory Lee Johnson burned an American flag as part of a political protest, he was convicted for flag desecration under Texas law. But the Supreme Court, by a contentious 5 to 4 margin, overturned that conviction, claiming that Johnson's action constituted symbolic and thus protected speech. Heated debate continues to swirl around that controversial decision, both hailed as a victory for free speech advocates and reviled as an abomination that erodes the patriotic foundations of American democracy. Such passionate yet contradictory views are at the heart of this landmark case.
