Jesus Without Religion Rick James, 2009-09-20 Great Another book about Jesus Whose agenda will the author be lugging along this time Author Rick James begins by clearing his throat Free of creeds quarrels and specialized theologies he speaks of Jesus No dogma no politics no moral at the end Jesus What he said What he did And what exactly was the point The answers about Jesus according to Rick James are in the context In his own unconventional way James recalls the specific contexts that color Jesus story bringing forward this man you ve heard so much and so little about **On Being the**

Church of Jesus Christ in Tumultuous Times Joe R. Jones, 2005-08-22 This collection of essays sermons and prayers urges the church today to be the sort of community that sustains a vigorous and continuing conversation within itself as to who has called it into being to whom it is responsible and what it is called to be and to do Jones reminds the church that it is an alternative political community called into being by the Gospel This collection explores what it means to be such an alternative community in tumultuous times in times when it is tempting to look to the world for answers and to confuse loyalty to the nation state with loyalty to God A theme throughout all the writings is that the church is the necessary context for becoming and being a Christian **Jesus in Muslim-Christian Conversation** Mark Beaumont, 2018-03-01 Jesus is a

revered messenger of God for Muslims and Lord and Savior for Christians How can Muslims and Christians relate to each other when this figure from the past attracts them yet drives them apart Jesus is the very center of the Christian faith but for Muslims he is a faithful witness to God who is central to Islam In the twenty first century is it possible for Muslims and Christians to relate to each other around him This book is an attempt to bring together two representative voices from Muslim and Christian communities to talk about Jesus Ibrahim is a Sunni Sufi Muslim who has studied Christianity and has been active as an academic in the Western world Paul is an Evangelical Protestant who has lived in the Muslim world and has been engaged in teaching religious studies in the West The conversation begins with the conception of Jesus and ends with his return from heaven and deals with his earthly work in between His miraculous activity his teaching and the titles he has been given are considered in detail and differences over the ending of Jesus life are debated [Pleadings for Christ: Being Sermons, Doctrinal and Practical. Serving Jesus without Burning Out D. Scott Hildreth, Steven A. McKinion, 2025-05-01 In Serving Jesus without Burning Out Steven A McKinion and D Scott Hildreth help ministers to survive and even thrive in the challenges and blessings of Christian ministry *SCM Core Text: Christian Doctrine* Mike Higton, 2013-01-25 The SCM Core Text Christian Doctrine offers an up to date accessible introduction to one of the core subjects of theology Written for second and third year university students it shows that Christian Doctrine is not a series of impossible claims to be clung to with blind faith Mike Higton argues that it is rather a set of claims that emerge in the midst of Christian life as Christian communities try to make enough sense of their lives and of their world to allow them to carry on Christian communities have made sense of their own

life and the life of the wider world in which they are set as life created by God to share in God's own life. They have seen themselves and their world as laid hold of God's life in Jesus of Nazareth and as having the Spirit of God's own life actively at work within them. This book explores these and other central Christian doctrines and in each case shows how the doctrine makes sense and how it is woven into Christian life. It will help readers to see what sense it might make to say the things that Christian doctrine says and how that doctrine might affect the way that one looks at everything: the natural world, gossip, culture, speaking in tongues, politics, dieting, human freedom, love, High Noon, justice, computers, racism, the novels of Jane Austin, parenthood, death and fashion. Why is it so difficult to talk to our closest friends about what's most important to us? Our true identity. Our hopes and dreams. Our true purpose and faith. Andy Bannister struggled with that question himself. As a twentysomething, he operated as an Undercover Christian at his job. He knew it didn't make sense and he spent the following decades helping countless people find easy, natural ways to discuss the fundamental questions of life with the ones they love. *How to Talk about Jesus without Looking like an Idiot* explores why you don't need to be afraid or uncomfortable; the four questions that help people open up; the five steps to respond to tough questions; and how to effortlessly bring faith into a conversation. It doesn't need to be awkward. Let Andy help you find easy ways to talk about the true meaning of life with your friends and family. *The Voice of the Church Bells. A Sermon ... [1 Cor. IV. 6-11].
