Each step higher in math studies is crucial to doing well at the next level. Pre-Calc is the gateway to higher level mathematics of which the best degrees and careers are built upon. The core essentials in 6 laminated pages can be used along with your text and lectures as a review before testing or as a memory companion that keeps key answers always at your fingertips. The most answers for your money in what students have said is a must have study tool. Suggested uses: o Quick Reference instead of digging into the textbook to find a core answer you need while studying; use the guide to reinforce quickly and repeatedly; o Memory refreshing: your memory repeatedly is a foundation of studying; have the core answers handy so you can focus on understanding the concepts; o Test Prep: no student should be cramming but if you are there is no better tool for that final review.
