The Marriage Miracle Truth The Secret Ingredient:

The Marriage Miracle Paul Kendall,2015-01-16 Truth that s what you ve opened this book to find you want information that is solid and trustworthy You need truth because truth always works just like two plus two always equals four Truth will work in your marriage every time regardless of your circumstances The Marriage Miracle would be a facetious title for a book if it were based on a man s theory but this book is not based on man s theory it s based on the most trustworthy source of wisdom God s Word Isaiah 55:11 says that God s Word will not return void how is that possible Because God s Word is truth and truth always works That scripture goes on to say that whatever His Word is spoken into will prosper it prospers because the truth replaces the lie and when your decisions and actions are based on truth your circumstances begin to change This book is filled with Biblical principles of truth that will bring new life to your marriage if you simply apply them As you read these pages you will learn techniques that when applied to your marriage will always work Now I know the idea of learning techniques may sound less than exciting until you realize that you are already using them in your marriage The problem is they are not working you re not getting the results that you desire Therefore your greatest challenge in this book will be to replace your ineffective techniques with new ones based on principles of truth My wife Evie and I have been married for nearly 30 years now but in our 13th year of marriage we hit rock bottom It was a very very dark time We were two signatures away from a divorce and basically just trying to decide what would be best for our two children under the circumstances when somebody suggested that we go to marriage counseling I didn t like that idea because I always considered myself to be the helper and not the helpee Besides I was a minister and truthfully I was pretty embarrassed to go But I decided to go for one reason only so that after my divorce I could look my two children in the eyes and tell them I tried everything to make it work with your mother even counseling It was definitely the wrong reason to go but it got me there We joined one of their groups and went on to learn things in that program that we had never heard before At the end of the twelve weeks we were not all better but we had all of the tools that we needed to get all better We continued to use the tools for weeks and months and I d like to tell you that we got better quick but it actually took us about two years to get to where we needed to be That might seem like a long time until you consider the fact that that was about 17 years ago So two years now seems like a drop in the bucket and certainly worth all of the healthy years of marriage that we ve enjoyed since then Our children have also been able to grow up in a house with their biological mom and biological dad present So I know things may seem really tough for you I m sure that they are but I want to encourage you to put your trust not in a person not in a book but in God s truth and trust God to transform your marriage just like He did mine The Real Food Solution Wendy McCallum,2015-12-15 Food coach and nutrition educator Wendy McCallum has worked with many families to find successful strategies for clean eating featuring affordable real food that everyone enjoys This approach leads to gradual weight loss that stays off and increased energy all while eating healthier tastier meals There s no shortage of popular approaches to weight

loss and wellness including paleo gluten free and vegan diets There is wide understanding of the advantages of real or clean food and recipes But most people find it difficult to make changes in their diet and even harder to maintain these changes not to mention how tough it is to get the whole family to buy into a new way of eating This is not a radical instantaneous solution but instead a real lasting change in the family kitchen and on the scale which comes from slow and steady building of positive habits that are enjoyable not painful It's flexible kid friendly and even fun as Wendy has seen firsthand in her work with families of all shapes and sizes The Real Food Solution presents her approach in full with lots of background information six weeks of meal plans and 70 recipes including pantry and grocery lists making it fun and easy to achieve real change with real food
