Strange Adventures In Time

John Gilbert Lockhart

Strange Adventures In Time:

The Strange Adventures of Joe Freeman Jr. Enrique Diaz, 2003-06-17 This novel is the story of a boy's life, his struggles and his strange experiences with higher forces. This boy finds himself entangled in events beyond his comprehension and confronts the issues of a family tragedy when he loses his father. It begins in Atlanta, Georgia, when he was ten and ends in a small fictitious town named Sweet Creek when he was thirteen. Although it deals with the adventures of a ten-year-old boy, it's not a juvenile novel. It deals with issues like friendship, family issues, and racism. It describes many adventures, including some very strange experiences in a mysterious cave. It takes place during the decade of the sixties when racial issues in Georgia were common. The story that unfolds reflects the power of love to overcome obstacles. *The Strange Adventures of Joe Freeman Jr.* is a unique and appealing piece of fiction with original ideas that would be of interest to readers of any age.

Strange Adventures Among the Post-Dead Charles Shulman, Carl James Anderson, 2022-06-15 Strange Adventures Among the Post-Dead By Charles Shulman and Carl James Anderson Life after death is not what you think. It's not what Tom thought it would be either. As a ghost, Tom soon realizes the post-dead world is far less organized than religion and literature would have us think. Witty and gripping, this is a story about life after death and a climactic clash between gods who have different outlooks on the multiverse. In today's polarized society, the book takes a much broader view of what is acceptable behavior, encouraging tolerance where it might have been lacking before.
