## **The Family Album:**

**The Family Album** Veronica B. Gamburg, 2017-04-11 A searing emotional and inspiring memoir *The Family Album* Reminiscing About the Past tells the story of a resilient family living in Russia during some of the country's darkest and most difficult history. With photographs dating from the end of the 19th to the end of the 20th century, the book tells the powerful and sometimes heartbreaking stories of four families trying to survive during the Russian Revolution, the Great Purge, and The Great Patriotic War. With skilful and engaging storytelling, this memoir details the rich history of the time through photos while telling personal stories such as how the author's own father perished while fighting for his country and how she and her mother survived the Leningrad Blockade. Despite the hardships faced by the family, this book still brims with hope, enthusiasm, and patriotism and offers its readers an uplifting lesson in history and the strength of the human spirit.

**The Family Album** Yeon-Soo Kim, 2005 This book is an examination of the use of the family album in contemporary Spanish culture. Through the analysis of films, narratives, painting, and a photographic exhibition produced from the end of Franco's dictatorship to the present, Kim interrogates how the family album serves as a critical instrument to reflect on the treatment of the past in contemporary Spain, the recuperation of repressed identities, nostalgia for collective memory, symptomatic of the cultural discontent with the erosion of a national boundary due to globalization and the increasing claim of diversity and ethical concerns for immigration. This study explores a broad range of works by canonical as well as less studied writers and artists, including Juan Goytisolo, Carlos Saura, and Marta Balletho. Coll Yeon Soo Kim is Assistant Professor of Spanish at Rutgers University.

*Wisconsin Family Albums & Photographers' Imprints and Biographies 1800s to early 1900s* Scott W. Raether, 2013-10-24 Scott W. Raether enjoys collecting family albums containing cabinet cards, cartes de visite, or cdvs and tintypes. An amateur researcher or genealogist always hoping to run into ancestors and discovering new photographers from 1800s to early 1900s, he has enjoyed filling the void in the history of photography in Wisconsin and would greatly appreciate more information on photographers and the family albums contained in this book.
