Excerpt from Handbook of the Fijian Language The first edition of this little Book owed its appearance to a request from H B M Consul Captain H M Jones V C that I should prepare a small Handbook for Immigrants more simple and less expensive than our present Books In sending out the second edition I may say that I make no pretensions to originality except in plan Although I have made preparations for greatly enlarging and otherwise improving this little Key yet in deference to the opinion of others it is now reprinted with only some few corrections and additions to meet a pressing want About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
