

In this outline of the First Epistle to the Corinthians Hamilton Smith presents to us a chapter by chapter exposition that will give the reader a deeper appreciation and understanding of the Church of God and its order on earth.

In his clear and concise style, the author shows that this Epistle "Views the Church of God in its privileges and responsibilities on earth, and presents God's appointed order for carrying out these responsibilities locally. It is evident that the apostle Paul, led by the Spirit of God, not only corrects the abuses in a local assembly in those early days, but also gives us divine and inspired instructions for all time as to the maintenance of holy discipline in the house of God, and the divine order for God's people, as forming the body of Christ, when coming together in assembly gatherings."
