Skin Of Our Teeth Play In Three Acts:

The Skin of Our Teeth Thornton Wilder, 1972 An Eternal Family narrowly escape one disaster after another from ancient times to the present Meet George and Maggie Antrobus married only 5 000 years their two children Gladys and Henry perfect in every way and their maid Sabina the ageless vamp as they overcome ice flood and war by the skin of their teeth Amazon Thornton Wilder and the Puritan Narrative Tradition Lincoln Konkle, 2006 Fresh examination of the works of Thornton Wilder emphasizing continuities in American literature from the seventeenth through twentieth centuries Sees Wilder as a literary descendant of Edward Taylor who drew from the Puritan worldview and tradition Includes indepth readings of *Shadow of a Doubt* *The Trumpet Shall Sound* and others Provided by publisher **The Skin of Our Teeth, Etc** Thornton Wilder, 1958 Thornton Wilder in Collaboration Jackson R. Bryer, Judith P. Hallett, Edyta K. Oczkowicz, 2018-12-17 The essays in this volume evolved from papers presented at the Second International Thornton Wilder Conference held at Salve Regina University in Newport Rhode Island in June 2015 They examine Wilder s work as both playwright and novelist focusing upon how he drew on the collaborative mode of creativity required in the theatre when writing both drama and fiction The book s authors use the term collaboration in its broadest sense at times in response to Wilder s critics who faulted him for borrowing from other earlier literary works rather than recognizing these borrowings as central to the artistic process of collaboration In exploring Wilder s collaborative efforts of different kinds the essays not only consider how Wilder worked with and revised earlier literary texts and the ideas central to those texts but also analyze how Wilder worked with and inspired other creative individuals and how recent productions of Wilder s plays both in the US and abroad have been the products of unique forms of collaboration *Staging the War* Albert Wertheim, 2004-03-16 What happened in American drama in the years between the Depression and the conclusion of World War II How did war make its impact on the theatre More important how was drama used during the war years to shape American beliefs and actions Albert Wertheim s *Staging the War* brings to light the important role played by the drama during what might arguably be called the most important decade in American history As much of the country experienced the dislocation of military service and work in war industries the dramatic arts registered the enormous changes to the boundaries of social classes ethnicities and gender roles In research ranging over more than 150 plays Wertheim discusses some of the well known works of the period including *The Time of Your Life* *Our Town* *Watch on the Rhine* and *All My Sons* But he also uncovers little known and largely unpublished plays for the stage and radio by such future luminaries as Arthur Miller and Frank Loesser including those written at the behest of the U S government or as U S O musicals The American son of refugees who escaped the Third Reich in 1937 Wertheim gives life to this vital period in American history **Conversations with Thornton Wilder** Thornton Wilder, 1992 Collected interviews with the Pulitzer Prize winning author and playwright most widely known today for his play *Our Town* *Thornton Wilder, Classical Reception, and American Literature* Stephen J. Rojcewicz, Jr., 2021-11-25 This book delineates

how Thornton Wilder 1897 1975 a learned playwright and novelist embeds himself within the classical tradition integrating Greek and Roman motifs with a wide range of sources to produce heart breaking masterpieces such as *Our Town* and comedy sensations such as *Dolly Levi* Through this study of archival sources and close reading readers will understand Wilder's avant garde staging and innovative time sequences not as a break with the past but as a response to the classics The author traces the genesis of unforgettable characters like *Dolly Levi* in *The Matchmaker* *Emily Webb* in *Our Town* and *George Antrobus* in *The Skin of Our Teeth* Vergil's expression Here are the tears of the world and human matters touch the heart haunts Wilder's oeuvre Understanding Vergil's phrase as tears for the beauty of the world Wilder utilizes scenes depicting the beauty of the world and the sorrow when individuals recognize this too late Wilder exhorts us to observe lovingly alert to the wonder of the everyday This work will appeal to actors and directors professors and students in classics and in American literature those fascinated by modern drama and performance studies and non specialists theatre goers and readers in the general public
