Skull Man

Sir Arthur Keith

Skull Man:

The Skeleton Man Jim Kelly, 2008-01-08 For seventeen years the English hamlet of Jude's Ferry has lain abandoned used only for army training exercises. Before then the isolated thousand year old community was famous for one thing having never recorded a single crime. But when local reporter Philip Dryden joins the army on practice maneuvers in the empty village its spotless reputation is literally blown apart. Artillery fire reveals a hidden cellar beneath the old pub and inside the cellar hangs a skeleton a noose around its neck. No one knows or will say who the victim was. Two days later a terrified man is pulled from the reeds of a nearby river with no idea of who he is or how he got there. The only name he can remember is Jude's Ferry. As Dryden searches for the secret history of the dead town he is also witnessing a kind of rebirth. Seven years after the accident that nearly killed her his wife Laura is finally emerging from coma and paralysis to begin a semblance of normal life. But will that semblance be enough for her or for Dryden?

Anyan's Story Virginia Drew Watson, 2012-12-18 Anyan was born in the mid 1920s into the pre metal culture of the Tairora of what is now called Papua New Guinea. Her early life was rooted in the traditions of her remote village where she worked the land and took part in the rituals connected with raising food but she lived at the time of first contact between her people and those from outside and she saw the traditional ways begin to change. At her marriage she moved to the government station at Kainantu where she was exposed to more Western influences even as she tried to hold on to her past and her ties to her village. Before she died in the mid 1970s this woman of indomitable spirit rode in an airplane and voted in a Western style election. When Virginia Watson began her anthropological fieldwork in the eastern highlands of New Guinea in 1954 she needed an interpreter for the unwritten language of the Tairora. Fortune sent her Anyan. In their work together as Watson researched the role of Tairora women Anyan gradually painted a picture of her society using events from her own life. Over many years of collaboration and deepening friendship a remarkable life history was told one that bridged the periods before and after contact with Western culture. When Watson suggested the book to Anyan she was elated. She was anxious that everyone know about Tairora. Her pride in her upbringing in her culture in her beautiful corner of the world was apparent. Individuals experience the shock of cultural transplantation in many ways. As Watson writes some of those forced to make the move from one culture to another were consumed by it and some were consigned to straddling the dark void that the cultural disparities created. Others like Anyan were able to maintain equilibrium in both cultures. Anyan's Story will be of interest to anthropologists and other social scientists. It is a valuable study of gender roles women's experience in cross cultural societies and culture shock.
