Skywriting Jane Pauley, 2004-08-24 Truth arrives in microscopic increments and when enough has accumulated in a moment of recognition you just know You know because the truth fits I was the only member of my family to lack the gene for numbers but I do need things to add up Approaching midlife I became aware of a darkening feeling was it something heavy on my heart or was something missing Grateful as I am for the opportunities I ve had and especially for the people who came into my life as a result I couldn t ignore this feeling I had the impulse to begin a conversation with myself through writing as if to see if my fingers could get to the bottom of it It was a Saturday morning eight or ten years ago when I began following this impulse to find the answers to unformed questions Skywriting is what I call my personal process of discovery And so begins this beautiful and surprising memoir in which beloved broadcast journalist Jane Pauley tells a remarkable story of self discovery and an extraordinary life from her childhood in the American heartland to her three decades in television Encompassing her beginnings at the local Indianapolis station and her bright debut at age twenty five on NBC s Today and later on Dateline Pauley forthrightly delves into the ups and downs of a fantastic career But there is much more to Jane Pauley than just the famous face on TVs In this memoir she reveals herself to be a brilliant woman with singular insights She explores her roots growing up in Indiana and discusses the resiliency of the American family and addresses with humor and depth a subject very close to her heart discovering yourself and redefining your strengths at midlife Striking moving candid and unique Skywriting explores firsthand the difficulty and the rewards of self reinvention **New York** ,2006-03

Skywriting Jane Pauley, 2004 Broadcast journalist Jane Pauley tells a story of self discovery and of an extra ordinary life from her childhood in the American heartland to her three decades in television **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1970 *Life* , 1972 *The New Yorker* Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 1927 ARTnews , 1975 *Lasting City: The Anatomy of Nostalgia* James McCourt, 2013-10-21 A Kirkus Reviews Best Book of 2013 A profoundly American work with distinct echoes of Samuel Beckett Lasting City hypnotizes with its symphonic lyricism Enjoined by his dying mother to tell everything James McCourt was liberated by this deathbed wish to do just that The result is Lasting City a gripping uniquely McCourt invention an operatic recollection that braids a nostalgic portrait of old Irish New York with a boy s funny gutter

snipe precocity and hardly innocent coming of age in the 1940s and 50s A literary outlaw in the poetic tradition of Verlaine and Baudelaire McCourt tells his own story his mother s his family s and that of a lost New York the lasting city While ostensibly an account of the author s first seven years Lasting City expands into a philosophical exploration of memory perhaps as daring a statement on perception as anything since Faulkner a kaleidoscopic unraveling of time Mating fact with fantasy or fantasy with fact McCourt takes us from his deeply moving bedside account of his mother Catherine s death to its traumatic aftermaths both real and imagined which are as McCourt tells it equally real He revisits the fantasy city of his youth sometimes in soliloquy as well as in the plaintive threnody of an older man who recounts his tales of woe to a Hindu cabdriver named Pramit Banarjee on Broadway only hours after leaving his mother s bedside By celebrating our powerlessness over memory he explores the darkly intense Irish American family romance and the love hate relationship between an unusually bright boy and his eternally wise mother who harbored an excruciating guilty secret With Joycean panache McCourt then takes us to the wake where his aunts recall their sister as if they are the Fates he has a late night dialogue with a former showgirl turned hash slinging waitress and he then anticipates his own death with the some of the most lyrical cadences in recent literature wondering whether his ashes will be scattered on the waters of that little rivulet emerging from Central Park s Ramble where in his grandfather s day real Venetian gondoliers imported from Venice plied their trade Reflecting McCourt s belief that the perfectly diagrammed sentence has become the secret weapon of nice people Lasting City written as much for the ear as the reading eye unfolds in multiple voices that are at times like theater and at times the reverie of a mind lost in memory It is a heartfelt aria to a lost time and to an eternal city
