**Slavery and the French Revolutionists (1788-1805)** Anna Julia Cooper, 1988 This is a translation of a 1925 doctoral dissertation written for the University of Paris by a 67 year old black American expatriate woman who had been born a slave Her study of the French Revolutionists view of slavery is a significant contribution to understanding the growth of human rights

*Revolutions in the Western World 1775-1825* Jeremy Black, 2017-07-12 Considering what has been described as an Age of Revolutions Black assesses a formative period in world history by examining the North American European Haitian and Latin American Revolutions Causes courses and consequences are all clarified in the articles selected and an introduction charts the major themes

**The Episcopalians** David Hein, Gardiner H. Shattuck, 2005-08 This book offers a fresh account of the Episcopal Church's rise to prominence in America

*Philanthropy and Race in the Haitian Revolution* Erica R. Johnson, 2018-06-19 This book examines the ways in which a minority of primarily white male French philanthropists used their social standing and talents to improve the lives of peoples of African descent in Saint Domingue during the crucial period of the Haitian Revolution They went to great lengths to advocate for the application of universal human rights through political activities academic societies religious charity influence on public opinion and fraternity in the armed services The motives for their benevolence ran the gamut from genuine altruism to the selfish pursuit of prestige which could on occasion lead to political or economic benefit from aiding blacks and people of color This book offers a view that takes into account the efforts of all peoples who worked to end slavery and establish racial equality in Saint Domingue and challenges simplistic notions of the Haitian Revolution which lean too heavily on an assumed strict racial divide between black and white

*The Cambridge History of the Age of Atlantic Revolutions: Volume 2, France, Europe, and Haiti* Wim Klooster, 2023-11-09 Volume II delves into the revolutions of France Europe and Haiti with particular focus on the French Revolution and the changes it wrought The demarcation between property and power and the changes in family life religious practices and socio economic relations are explored as well as the preoccupation with violence and terror both of which were conspicuous aspects of the revolution Simultaneous movements in England Germany Hungary Ireland Italy and Poland Lithuania are also discussed The volume ends with the Haitian Revolution and its impact on neighboring countries revealing how the revolution was comprised of several smaller revolutions and how once the independent black State of Haiti was established an effort was made to fulfill the promises of freedom and equality

**Let this Voice be Heard** Maurice Jackson, 2009 In the first intellectual biography of the man universally recognized in his own time as the founder of the Atlantic antislavery movement Jackson demonstrates how Anthony Benezet mediated Enlightenment political and social

thought African travel narratives and the ideas and experiences of ordinary people to create a new antislavery critique

**Rituals, Runaways, and the Haitian Revolution** Crystal Nicole Eddins, 2021-10-28 A new analysis of the origins of the Haitian Revolution revealing the consciousness solidarity and resistance that helped it succeed Pioneer African American Educators in Washington, D.C.: Anna J. Cooper, Mary Church Terrell, and Eva B. Dykes Marina Bacher, 2018 Anna J Cooper Mary Church Terrell and Eva B Dykes shaped the educational landscape in Washington D C in the late nineteenth and early twentieth centuries These three pioneer educators serve as examples to describe the societal circles they were involved in The many facets of their educational achievements are analyzed in the context of the educational elite of Washington Cooper Terrell and Dykes not only had to live with race discrimination but also with gender discrimination Unpublished archive material is used to illustrate how they interacted and how they treated each other Marina Bacher is a scholar author and educator Series American Studies in Austria Vol 18 Subject Education Sociology History *New Directions in Social Theory* Kate Reed, 2006-05-18 This book contributes to the growing debates about social theory and its role through a discussion of the ways in which gender and race contributed to the exclusion of important thinkers from the sociological canon John Hughes Lancaster University Who makes up the canon of sociology and who doesn't Does sociology need a canon in the first place Beyond Social Theory offers an innovative and passionate contribution to debates on the history and development of sociology and the exclusion of theorists who are female black or both from the mainstream of social theorizing With compelling biographical sketches bringing the dynamics behind the canon to life Kate Reed focuses sharp analysis on the exclusion of theorists on race and gender from important debates on inequality An important contribution to the debate on non exclusionary theory this book critically examines existing accounts of the history of the discipline situating the development of social theory within a wider social and political context **The Journal of African American History**, 2004 **Literary and Sociopolitical Writings of the Black Diaspora in the Nineteenth and Twentieth Centuries** Kersuze Simeon-Jones, 2010-06-22 Literary and Sociopolitical Writings of the Black Diaspora in the Nineteenth and Twentieth Centuries traces the historiography of literary and sociopolitical movements of the Black Diaspora in the writings of key political figures It comparatively and dialogically examines such movements as Pan Africanism Garveyism Indigenism New Negro Renaissance Négritude and Afrocriollo To study the key ideologies that emerged as collective black thought within the Diaspora particular attention is given to the philosophies of Black Nationalism Black Internationalism and Universal Humanism Each leader and writer helped establish new dimensions to evolving movements thus the text discerns the temporal spatial and conceptual development of each literary and sociopolitical movement To probe the comparative and transnational trajectories of the movements while concurrently examining the geopolitical distinctions the text focuses on leaders who psychologically culturally and or physically traveled throughout Africa the Americas and Europe and whose ideas were disseminated and influenced a number of contemporaries and successors Such approach dismantles geographic

language and generation barriers for a comprehensive analysis Indeed it was through the works transmitted from one generation to the next that leaders learned the lessons of history particularly the lessons of organizational strategies which are indispensable to sustained and successful liberation movements      A Voice from the South Anna Julia Cooper, 2016-05-10 Regarded as the first voice of black feminism these essays focus on racial progress and women's rights Author emphasizes importance of women's education and discusses African Americans economic role and their literary representation      **North Carolina Women** Michele Gillespie, Sally G. McMillen, 2014-02-15 North Carolina has had more than its share of accomplished influential women women who have expanded their sphere of influence or broken through barriers that had long defined and circumscribed their lives women such as Elizabeth Maxwell Steele the widow and tavern owner who supported the American Revolution Harriet Jacobs runaway slave abolitionist and author of *Incidents in the Life of a Slave Girl* and Edith Vanderbilt and Katharine Smith Reynolds elite women who promoted women's equality This collection of essays examines the lives and times of pathbreaking North Carolina women from the late eighteenth century into the early twentieth century offering important new insights into the variety of North Carolina women's experiences across time place race and class and conveys how women were able to expand their considerable influence during periods of political challenge and economic hardship particularly over the course of the late nineteenth and early twentieth centuries These essays highlight North Carolina's progressive streak and its positive impact on women's education for white and black alike beginning in the antebellum period on through new opportunities that opened up in the late nineteenth and early twentieth centuries They explore the ways industrialization drew large numbers of women into the paid labor force for the first time and what the implications of this tremendous transition were they also examine the women who challenged traditional gender roles as political leaders and labor organizers as runaways and as widows The volume is especially attuned to differences in region within North Carolina delineating women's experiences in the eastern third of the state the piedmont and the western mountains      **The Depiction of Women in Medieval French Manuscript Illumination** Patricia May Gathercole, 2000 Women of antiquity goddesses Lady Fortune personified abstract qualities the Virgin Mary female saints and other Biblical figures Many of the illustrations found in this volume date from the 15th century the height of manuscript illumination      A Publication History of the Rival Transcriptions of Montaigne's Essays Ken Keffer, 2001 This publication history is based on a peculiar historic event the systematic recopying or transcription of Montaigne's extensive marginal notes by secretaries librarians and paleographers in the last years of the 19th century at the Bordeaux City Library Those transcriptions proved to be a necessary condition and quid pro quo for the publication from 1906-1933 of the first critical editions of Montaigne's complete *Essays* It is also indirectly a case study of how a literary bureaucracy treats subaltern personnel like sub librarians and paleographers and how it construes their intellectual property rights      The Ancien Régime and the French Revolution James B. Collins, 2002 The historian writing about the French Revolution in 2001 faces an

odd situation because the long struggle of the Classicists and Revisionists has died down in part because there are so few Classical historians of the French Revolution still active That truce is puzzling in some ways because the Revisionists although they drove the Classicists from the field never succeeded in creating a synthesis of their own Now the old quarrel has moved to the wings the new historiography of the French Revolution both in the Francophone and Anglophone worlds has shifted into cultural evolution This book offers a synthesis of the events but one that integrates material from these different historiographical schools with a careful look at many of the original documents Pref

**Visual Meaning in the Bayeux Tapestry** John Bard McNulty, 2003 This study explains how images in the Tapestry that are generally dismissed as purely decorative random or historically mistaken are in fact none of these but meaningful devices observable in other medieval works

**Letters (1694-1700) of François de Callières to the Marquise d'Huxelles** Callieres, Mon, 2004 This is the first publication of seventy five letters from Francois de Callieres 1645 1717 to Marie de Bailleul Marquise d Huxelles 1626 1712 from a manuscript in the Bibliotheque Nationale de France ms fr 24983 Most were sent from Holland where Callieres has been sent by Louis XIV to negotiate what became the Treaty of Ryswick 1697 Callieres is the author of a seminal work on diplomacy never out of print since its publication in 1716 On Negotiating with Princes and after the signing of the Ryswick peace in 1697 he became the principal secretary to Louis XIV Intended to divert as well as to inform the product of an intimate friendship which was also a political alliance the letters reveal Callieres to have been a moderate and thoughtful man an admirer of the Dutch Republic and William III as well as a loyal servant of the Sun King He sends Huxelles literary and philosophical observations as well as political and diplomatic news couched in a lively and spontaneous style This edition breaks new scholarly ground in a number of areas and suggests that the political influence of Buxelles and her Paris circle was greater than has previously been thought Bath situating the letters in historical context as well as an introduction extensive footnotes a bibliography and an index in English with the letters in the original French

**Anglo-Saxon Propaganda in the Bayeux Tapestry** Meredith Clermont-Ferrand, 2004 This study details the secret subversive and sustaining Anglo Saxon messages encoded in a work of art that purportedly celebrates the Norman French conquest of England This is a pioneering perspective that no other scholar has brought to the Tapestry
