

# Slaves Of Isis

**Judit Neurink**

## Slaves Of Isis:

Slaves of Isis Madame de Morville,2004-05-01      **Abd** Justin Marozzi,2025-10-01 Justin Marozzi onthult in Abd het menselijke drama van degenen die verstrikten raakten in de schrijnende maar vaak over het hoofd geziene geschiedenis van de slavernij in de islamitische wereld en geeft hen een stem Marozzi geeft een historische analyse en hedendaagse reportage en raakt daarmee grote thema's als religie, macht, ethiek en de grenzen van traditie. Slavernij in de islamitische wereld kent een lange, complexe en omstreden geschiedenis. Vanaf de zevende eeuw, wanneer de Profeet Mohammed een aantal slaven verheft tot Metgezel tot de nog steeds bestaande slavernij in Mali en Mauritanië gedurende deze vijftien eeuwen heeft slavernij en slavenhandel in uiteenlopende vormen bestaan binnen islamitische samenlevingen. Afrika moest het grootste deel van de vraag naar slavenarbeid opvangen. Miljoenen mensen werden te voet door de Sahara naar gevangenschap gevoerd, maar ook Europeanen, moslims, christenen en joden werden tot slaaf gemaakt. En anders dan bij de trans-Atlantische slavenhandel, waarbij de meeste slaven op een Amerikaanse plantage terechtkwamen, vervulden slaven in de islamitische wereld verschillende rollen: ze waren concubines, slaafsoldaten, piraten, paleiswachters en soms zelfs militair bevelhebbers. Een gedurfde briljante en actuele geschiedenis die een van de meest verwaarloosde en ongemakkelijke onderwerpen uit de wereldgeschiedenis aan de orde stelt. Een ongekend belangrijk boek.

*Slaves, Wives and Brides* Judit Neurink, 2018-08-05

Slaves, Wives and Brides paints the situation of women under the role of the Islamic group ISIS. This group that at one stage occupied large parts of Iraq and Syria kidnapped thousands of Yazidi women as sex slaves and treated them like animals. Western women were recruited to give birth to the next generation of fighters. Some of them volunteered to work with a special police force that checked if women were abiding by the strict rules, acting no less brutal than the ISIS men. All these women play a role in the history that was written in Iraq and Syria. In Slaves, Wives and Brides, Judit Neurink gives a voice to Yazidi women who escaped from the state that ISIS founded and bear witness to the brutal treatment they received there. She tells the story of the American aid worker Kayla Mueller, who was the slave and even wife of ISIS leader Abu Bakr al-Baghdadi. She phones women in the occupied city of Mosul and analyses the rights that ISIS propaganda is giving to women. Thus a clear image is drawn of the black reality of life under the occupation of ISIS. The book is a complete update after the liberation of Mosul and other areas in Iraq.

*The Women of the Caliphate* Judit Neurink, 1957

Judit Neurink is a Dutch journalist who lived in the Kurdistan Region of Iraq for ten years. She reports for Dutch, Belgian and international media. Slaves, Wives and Brides is her sixth book.

**Captives and Companions** Justin Marozzi, 2025-10-21

The definitive history of the slave trade in the Islamic world, a story that has been overshadowed by its notorious but shorter-lived Atlantic counterpart. Slavery in the Islamic world has a long, complex and controversial history. In the earliest days of Islam, Arab Muslims enslaved men, women and children as the spoils of war. In the following centuries, young boys were imported to

imperial Islamic courts in enormous numbers Some were castrated to serve as eunuch guardians of sacred spaces from the imperial harem of Istanbul to the Prophet s Mosque in Medina Others were harvested by the Ottomans to serve as Janissaries the sultan s elite infantry unit Some even rose to the highest levels of political and military command making a mockery of their slave status For wom leading concubines became powerful figures in their own right In the ninth century Golden Age of Baghdad the most beautiful and accomplished courtesans were among the richest most celebrated figures of their day In the twentieth century more than a thousand years later their cosmopolitan counterparts were still entertaining Ottoman sultans Yet it was Africa which bore the brunt of the Islamic world s insatiable demand for slave labour Slavers plied its Mediterranean Atlantic and Indian Ocean coasts traders raided inland for human cargo and millions of enslaved Africans trudged across the Sahara into captivity Meanwhile North African corsairs turned the Mediterranean into a slaving free for all between Muslims Christians and Jews The sheer longevity of slavery was no less surprising Arab Muslims adapted and regulated this practice within an Islamic context Sanctioned by the Prophet Mohammed legitimated by the Quran and holy law slavery endured for fifteen centuries Abolition had few champions and came late in the day hereditary slavery continues even today in Mali and Mauritania Captives and Companions takes the reader on an extraordinary historical journey across deserts continents and oceans from Baghdad to Bamako Tripoli to Timbuktu Istanbul to the Black Sea and reveals a hidden but vital chapter in our understanding of world civilization Possessed by the Right Hand Bernard K. Freamon,2019-05-20

In Possessed by the Right Hand the first comprehensive legal history of slavery in Islam ever offered to readers Bernard K Freamon an African American Muslim law professor provides a penetrating analysis of the problems of slavery and slave trading in Islamic history After examining the issues from pre Islamic times through to the nineteenth century Professor Freamon considers the impact of Western abolitionism arguing that such efforts have been a failure with the notion of abolition becoming nothing more than a cruel illusion He closes this ground breaking account with an examination of the slaving ideologies and actions of ISIS and Boko Haram asserting that Muslims now have an important and urgent responsibility to achieve true abolition under the aegis of Islamic law See Bernard Freamon live at Rutgers Law School October 8 2019 Listen to Possessed by the Right Hand An Interview with Prof Bernard Freamon from Network ReOrient on Anchor

Slavery and Islam Jonathan A.C. Brown,2020-03-05 What happens when authorities you venerate condone something you know is wrong Every major religion and philosophy once condoned or approved of slavery but in modern times nothing is seen as more evil Americans confront this crisis of authority when they erect statues of Founding Fathers who slept with their slaves And Muslims faced it when ISIS revived sex slavery justifying it with verses from the Quran and the practice of Muhammad Exploring the moral and ultimately theological problem of slavery Jonathan A C Brown traces how the Christian Jewish and Islamic traditions have tried to reconcile modern moral certainties with the infallibility of God s message He lays out how Islam viewed slavery in theory and the reality of how it was practiced across Islamic civilization

Finally Brown carefully examines arguments put forward by Muslims for the abolition of slavery     **Isis** Brad Power,2015-09-07 The group that calls itself the Islamic State IS has carried out ethnic cleansing on a historic scale in northern Iraq IS has systematically targeted non Arab and non Sunni Muslim communities killing or abducting hundreds possibly thousands and forcing more than 830 000 others to flee the areas it has captured since 10 June 2014 Ethnic and religious minorities Assyrian Christians Turkmen Shi a Shabak Shi a Yezidis Kakai and Sabean Mandaean have lived together in the Nineveh province much of it now under IS control for centuries Today only those who were unable to flee when IS fighters seized the area remain trapped there under threat of death if they do not convert to Islam     *A Road Unforeseen* Meredith Tax,2016-08-01 A secular feminist army courageously challenges the Islamic State In war torn northern Syria a democratic society based on secularism ethnic inclusiveness and gender equality has won significant victories against the Islamic State or Daesh with women on the front lines as fierce warriors and leaders *A Road Unforeseen* recounts the dramatic underreported history of the Rojava Kurds whose all women militia was instrumental in the perilous mountaintop rescue of tens of thousands of civilians besieged in Iraq Up to that point the Islamic State had seemed invincible Yet these women helped vanquish them bringing the first half of the refugees to safety within twenty four hours Who are the revolutionary women of Rojava and what lessons can we learn from their heroic story How does their political philosophy differ from that of Iraqi Kurdistan the Islamic State and Turkey And will the politics of the twenty first century be shaped by the opposition between these political models     *The Rule is for None but Allah* Joana Cook,Shiraz Maher,2023-05-25 The last four decades have been shaped by the rise of Islamist politics across significant swathes of the globe Whether by gun or by ballot box various Islamist movements from as far and wide as the Malian desert and Indonesia's archipelagos have sought to obtain power and govern territories in a bid to revive an Islamic ancien regime With the regional privations produced by the War on Terror and the political unrest following 2011's Arab uprisings the global march of Islamism has only accelerated in the twenty first century Building on an established literature on rebel governance *The Rule is for None but Allah* examines fifteen cases from around the world to consider the different ways Islamists have approached and implemented governance the challenges they have faced and how they have responded to obstacles It brings new detail and insights on a wide range of themes including legitimacy constitutionality and social welfare activism From the rise and fall of Egypt's Muslim Brotherhood to Islamic State's attempts to create its own currency to the dramatic return of the Taliban in Afghanistan this edited volume from two leading scholars of contemporary terrorism assembles an enviable array of international experts to explore these pressing issues     *Goddesses, Whores, Wives, and Slaves* Sarah B. Pomeroy,1995-01-17 The first general treatment of women in the ancient world to reflect the critical insights of modern feminism Though much debated its position as the basic textbook on women's history in Greece and Rome has hardly been challenged Mary Beard Times Literary Supplement Illustrations     Proceeding the 8th International Graduate Students and Scholars' Conference in Indonesia
