Sleeper Cell Kierra Dorsay, 2016-02-27 A sleeper cell is a person who remains a dormant member of a group while belonging to another group for undisclosed reasons Usually the sleeper cell status is kept a secret A sleeper cell is a clandestine group of terrorists who work underground and come back to life suddenly to achieve the target set by their superiors A sleeper agent is a spy who is placed in a target country or organization not to undertake an immediate mission but rather to act as a potential asset if activated Sleeper agents are popular plot devices in fiction in

particular espionage fiction and science fiction Sleeper agents who have been discovered have often been natives of the target country who moved elsewhere in early life and were co opted perhaps for ideological or ethnic reasons before returning to the target country This is valuable to the sponsor as the sleeper s language and other skills can be those of a native and thus less likely to trigger suspicion One of the most insidious tactics at a terrorist organization s disposal is the implementation of a sleeper cell This consists of secret agents who receive specialized training in their home countries and are then assigned to assimilate into another country s culture and society These agents may spend years performing their regular duties while living deep undercover then suddenly receive orders from their overseas handlers to either commit an act of terrorism or provide aid to those who will

Representation of Middle Easterners in Contemporary North American TV Series Matthias Köbrich,2018-08-13 Master s Thesis from the year 2017 in the subject English Language and Literature Studies Culture and Applied Geography grade 1 5 Friedrich Alexander University Erlangen Nuremberg Institut f r Anglistik und Amerikanistik language English abstract TV shows have always been popular However fairly recently their quality and their budget have vastly increased Prestige TV which is frequently argued to have started with The Sopranos can be argued to have continued with The Wire Lost Breaking Bad Boardwalk Empire Game of Thrones House of Cards and

Homeland After 9 11 an increase in TV shows focusing on terrorism was noticeable Many shows exhibited coping mechanisms built into their plots which can be related to the events on September 11 2001 Movies like the Rambo film series 1982 1988 Platoon 1986 Full Metal Jacket 1987 and Rocky IV 1985 can be argued to be cinematic attempts of coming to terms with the United States defeat in the Vietnam War as well as locking horns with Russia respectively In more recent movie history we can witness films such as Rules of Engagement 2000 Flightplan 2005 The Kingdom 2007 and the Transformers franchise 2007 2014 which can be interpreted as blowing off steam with regard to the US Army s seemingly endless engagement in the Middle East Not to forget the recent TV shows Quantico 2015 24 2001 2010 and Homeland 2011 which are excellent examples for Orientalist points of view terrorism threats and so called SHTF scenarios as well as homeland security issues These TV shows all seem to be cultural products that can be seen as direct answers to the terrorist attacks that day And just like the older examples of pop culture products these series and movies are also filled with coping behavior and processes The goal of this thesis is to look at the dichotomy between the East and the West the negative perception of the Middle East in the West as well as how negative images of the East are constructed but also countered in Western media In other words to see where or how Orientalist views are perpetuated and reinforced and where they are countered criticized and ridiculed Furthermore the intention of this thesis will be to scrutinize the underlying presumptions about the other and how these presumptions can be connected to Orientalism By exposing the negative images stereotypes and attempts of othering light will be shed on the above mentioned misrepresentations of Middle Easterners
