*The Ghost Hunting Guide for the Living* David J. Greene, 2020-09-09 Researching the unseen Paranormal investigation Ghost hunting No matter what you call it it has always been fascinating to explore the paranormal world but how does one go about it exactly What can you expect to see and experience What kind of equipment do you need and can you afford it There are so many questions any ghost hunter would ask and The Ghost Hunting Guide for the Living is here to answer them This thorough guide will take you through the history of paranormal study teach you about the possible types of encounters and the methods for hunting ghosts with equipment you might already have or can find affordably and with ease What's more in order to help you stay on track The Ghost Hunting Guide for the Living will provide you with a checklist and a worksheet so you'll always know where you stand With this book you can step into the world of paranormal activity with confidence Ghost hunting will no longer be just something you watch on TV you'll be doing it on your own exploring investigating and learning and soon you'll be telling your own tales of the unseen too

[How to Hunt Ghosts](#) Joshua P. Warren, 2009-11-24 In How to Hunt Ghosts paranormal researcher Joshua P. Warren teaches the novice ghost hunter the basics which above all include treating the paranormal as any other scientific field one requiring well documented research and hard evidence This unique guide breaks down the theories explains the tools of the trade and even offers forms to facilitate your investigation Peppered with anecdotes from Warren's personal experience How to Hunt Ghosts offers answers to such questions as What is a ghost How does a ghost interact with the world Where can you find a haunted house Why do people usually see ghosts at night How do you record a ghostly encounter If you suspect you live in a haunted house and want to exorcise a ghost or attempt spectral communication or if you are interested in pursuing a career as a ghost hunter or are simply curious about the paranormal this intriguing and informative guide is for you

**A Brief Guide to Ghost Hunting** Leo Ruickbie, 2013-08-15 There has been an upsurge in books television programmes films and websites exploring the reality or otherwise of the spirit world Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular Television and the internet in particular have fueled this new level of interest creating a modern media phenomenon that spans the globe But while the demand for information is high good information remains scarce A Brief Guide to Ghost Hunting leads us through the process of ghost hunting from initially weighing the first report to choosing equipment and investigating and identifying the phenomena with an analysis of the best places to go looking methods of contacting the spirit world how to explain paranormal activity and crucially how to survive the encounter However it is also a book about ghost hunting itself drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories A Ghost Hunting Survey makes use of interviews with those billing themselves as ghost hunters to find out their views motivations and experiences New and original research makes use of statistics to map the nebulous world of apparitions while a Preliminary Survey of Hauntings offers an analysis of 923

reported phenomena from 263 locations across the UK This is as far as possible an objective presentation of ghosts and ghost hunting It is no wonder that mainstream science largely refuses to deal with the subject it is too complicated Without trying to convince you of any viewpoint this book is intended to help you understand more
