**Writing, Making, and Distributing Your Short Film** Chris Easterly, 2024-12-30 This book is a concise practical guide to writing and making a successful short film. In an accessible and relatable tone, the book covers the filmmaking process from plot ideation to film distribution without getting bogged down in the complicated details. Written by an experienced writer and filmmaker, the book shows you how to create content from script to screen that can connect with an audience. It does so by considering classic storytelling templates like Aristotle's Three Act Structure and Joseph Campbell's *The Hero's Journey*, as well as examining a variety of successful short films, analyzing what makes them work or not, and why. To support learning, it also provides a list of recommended short films to study, with brief background information on each. This is supplemented with the author's personal experiences of writing and making films, along with exclusive insights from successful Hollywood and independent writers and producers. There are also questions and prompts at the end of each chapter, uniquely designed to guide the reader through the step-by-step process of writing their own short script. Students and professionals alike who want to craft and perfect their short films will find this to be an invaluable resource and a one-stop guide to success.

*Prison Time* Shaun Attwood, 2014-04-30 *Prison Time*, the sequel to *Hard Time*, is the story of Shaun

Attwood's journey through the Arizona Department of Corrections and his deportation to England. Sentenced to nine years in Arizona's state prison for distributing Ecstasy, English Shaun Attwood finds himself living among gang members, sexual predators, and drug-crazed psychopaths. After being attacked by a 20-stone California biker in for stabbing a girlfriend, Shaun writes about the prisoners who befriend, protect, and inspire him. They include T Bone, a massive African American ex-Marine who risks his life saving vulnerable inmates from rape, and Two Tonys, an old-school Mafia murderer who left the corpses of his rivals from Tucson to Alaska. They teach Shaun how to turn incarceration to his advantage and to learn from his mistakes. Resigned to living alongside violent, mentally ill, and drug-addicted inmates, Shaun immerses himself in psychology and philosophy to try to make sense of his past behaviour and begins applying what he learns as he adapts to prison life. Encouraged by Two Tonys to explore fiction as well, Shaun reads over a thousand books, which, with support from brilliant psychotherapist Dr O, speed along his personal development. As his ability to deflect daily threats improves, Shaun begins to look forward to his release with optimism and a new love waiting for him. Yet the words of Aristotle from one of Shaun's books will prove prophetic: We cannot learn without pain.
