## **Slocum And The Gamblers Woman:**

**Slocum and the Gambler's Woman** Jake Logan, 2000 The peaceful settlement of Fort Sumner New Mexico erupts into violence when a lovely young lady come to Slocum for protection from her brutal gambler lover The Highland monthly, ed. by D. Campbell and A. Macbain Duncan Campbell (editor of the Northern chronicle), 1891 Longarm 296: Longarm and the Bad Girls of Rio Blanco Tabor Evans, 2003-06-24 Longarm finds out just how bad the bad girls of Rio Blanco can be U S Deputy Marshal Custis Long is off to Rio Blanco County to catch some thieves stealing Indian Agency cattle Two of the rustlers are women so it should be interesting But Longarm is being stalked by two hired killers Some very wealthy folks want him dead so badly that they ve secretly put a bigger bounty on his head than the James Boys and Billy the Kid combined They say that Longarm is Colorado s answer to the late Wild Bill But lately he has trouble enough to overwhelm even the legendary Hickok After he s forced to kill Turk Tarrington Longarm has the whole bloodthirsty clan on his trail And a certain woman who kills the men she seduces hasn t forgotten that Deputy Marshal Long turned down her advances As soon as Liza Carver hooks up with her murderous accomplices she plans to treat herself to the greatest thrill of all luring Longarm to his death Words on Cassette, 2002 R R Bowker Publishing, 2002 **The Lady Gambler** Jake Logan, 1996 Slocum s weakness for lovely ladies could win him a date with the gallows Slocum's Stampede Jake Logan, 1985 Faces of a Reservation Cynthia D. Stowell, 1987 An attractive and perceptive photographic and historical view of the Warm Springs Indian Reservation in central Oregon 11x11 Annotation copyrighted by Book News Inc Portland OR Slocum's Silver Jake Logan, 1995 Slocum has found a mine chock full of silver and is looking for a way to blast it out before any claim jumpers beat him to it But when he loses both of his partners on the very same day he knows he has to work fast to prevent being left with nothing but the scars from his efforts **The Adventures of the Circumnavigators in their small Sailing Boats** David Loscalzo, 2016-02-04 Within a few miles of my home in suburban Portland Oregon there are perhaps two dozen small ships all sailing vessels of thirty to forty feet in length in various stages of construction with the ultimate purpose of carrying their owners and builders on world voyages The shipyards are old barns backyards temporary sheds of wood framing and plastic sheeting Even at the small moorage on Multnomah Channel where I keep my sloop there are four such vessels being built in a corner of the parking lot and there is a waiting list for the space I am sure that similar activity can be found at every seaport of every maritime country in the Free World where the political social and economic status is sophisticated enough to stimulate the natural human urge to escape to a more simple life or to indulge one s curiosity and restlessness by travel to faraway places And for every ship abuilding there are perhaps a thousand or more secret dreamers many of whom live hundreds of miles from the nearest salt water who spend their leisure hours marking ads in the classified sections of metropolitan newspapers and boating periodicals or prowling the marinas yacht clubs and small boat harbors searching for a ship in which to make their escape at a price within their dreams Most of them of course will never get beyond the ad

marking stage or if they do most of their ardor will have been dissipated by the actual physical activity and the reality of inquiry There is nothing new or unusual about this Civilized man has endeavoured to escape to sea at least since the time of the Minoans circa 1500 B C Daydreams like this are what help many over the small daily crises the frustrations of the job and that state of mental rebellion that Henry David Thoreau was trying to define when he wrote that most men lead lives of quiet desperation Some of these owners builders and searchers have announced their intentions in advance and are already savoring the heady stimulation of publicity and small notoriety which they hope to earn later Others hold it as a secret ambition and will not talk about it or if they do they are vague about future ports of call and even departure dates A few are building only what they refer to as retirement boats for which they have no conscious plans other than living aboard when the ship is finished and launched These are the cagey ones This book is about the adventures of some of these

circumnavigators     **Slocum's Gold** Jake Logan,1976     *Slocum's Pride* Jake Logan,1984     **Mrs. Russell Sage** Ruth Crocker,2006-11-01 This is the biography of a ruling class woman who created a new identity for herself in Gilded Age and Progressive Era America A wife who derived her social standing from her robber baron husband Olivia Sage managed to fashion an image of benevolence that made possible her public career In her husband s shadow for 37 years she took on the Victorian mantle of active reforming womanhood When Russell Sage died in 1906 he left her a vast fortune An advocate for the rights of women and the responsibilities of wealth for moral reform and material betterment she took the money and put it to her own uses Spending replaced volunteer work suffrage bazaars and fundraising fates gave way to large donations to favorite causes As a widow Olivia Sage moved in public with authority She used her wealth to fund a wide spectrum of progressive reforms that had a lasting impact on American life including her most significant philanthropy the Russell Sage Foundation     **The Highland Monthly** ,1892     *Slocum's Warpath* Jake Logan,2002 When a young lady s home on the range is burnt to the ground and her body left for dead Slocum is called in to ease her pain and bring her attackers to justice
