The Pornographers:

Women and the Law Judith G. Greenberg, Martha Minow, Dorothy E. Roberts, 1998 The Second Edition of Frug's Women and the Law integrates cases with theoretical readings by feminists social scientists historians as well as legal scholars Organized around the three central topics of work family body this new edition reflects a multiplicity of feminist stances critiques

History of the Commune of 1871 Hippolyte Lissagaray, 1886 Pornography Longford Committee Investigating Pornography, 1972 **History of the Commune of 1871** Prosper Olivier Lissagaray, 1886 Against Pornography Diana E. H. Russell, 1993 Because Dr Diana Russell believes that seeing pornography is the most powerful evidence of the woman hatred inherent in it she reprinted over 100 examples of pornographic photographs in this book She chose to risk being sued for publishing these pictures because she was unwilling to obtain permission from the pornographers Against Pornography also contains a succinct summary of some of the major scientific research on this subject and an explication of her original and convincing theory of how pornography causes rape The Pornographers Christopher Grimes, 2012-10-01 BLACK WHITE EDITION The single brilliantly funny voice of something genuinely new Walter Benn Michaels author of The Gold Standard and the Logic of Naturalism and The Shape of the Signifier 1967 to the End of History In fiction of this sort there is huge pressure on the line by line life of the prose Happily it is in the energy and inventiveness of its language that this novel is most alive Because that is what the work is finally about that wonderful redundancy we call art showing us once again the way from death to life Curtis White American Book Review From take off to landing The Pornographers moves at the speed of sound through post 9 11 angst yoga bureaucratic helplessness marriage collective public insecurity and family A group of minor bureaucrats operating under the unfunded directive of Homeland Security try to start a commercial pornography site in order to generate revenue for their city Their research into the the porn industry does in fact suggest it as a viable solution to their economic woes Meanwhile their wives threaten to follow a guru to India in search of their own inner security Written as a single grammatically correct sentence The Pornographers humorously lays bare the real and serious concerns about America in the 21st Century **The Listener**, 1977 **The Report** United States. Commission on Obscenity and Pornography, 1970 The Spectator, 1977 A weekly review of politics literature theology and art Woman of Power, 1988

Child Pornography and Prostitution Howard A. Davidson, 1987 In cooperation with the National Obscenity Enforcement Unit National Legal Resource for Child Advocacy and Protection Covenant House Cover **Pornography and Sexual Representation** Joseph W. Slade, 2001 A three volume reference guide to the available literature concerning pornography and sexual representation in America **Popular Government and the Supreme Court** Lane V. Sunderland, 1996 With quiet eloquence Lane Sunderland argues that we must reclaim the fundamental principles of the Constitution if we are to restore democratic government to its proper role in American life For far too long he contends the popular will has been held in check by an overly powerful Supreme Court using non constitutional principles to make policy

and promote its own political agendas His work shows why this has diminished American democracy and what we can do to revive it Sunderland presents a strong thoughtful challenge to the constitutional theories promoted by Ronald Dworkin Archibald Cox Richard Epstein Michael Perry John Hart Ely Robert Bork Philip Kurland Laurence Tribe Mark Tushnet and Catharine MacKinnon an enormously diverse group united by an apparent belief in judicial supremacy Their theories he demonstrates undermine the democratic foundations of the Constitution and the power of the majority to resolve for itself important questions of justice Central to this enterprise is Sunderland's reconsideration of *The Federalist* as the first most reliable and most profound commentary on the Constitution *The Federalist* he states is crucial because it explains the underlying theory of the Constitution as a whole a theory that gives meaning to its particular provisions In addition Sunderland reexamines the Declaration of Independence and the work of Hobbes Locke and Montesquieu in order to better define the nature and limits of their influence on the Framers His reading of these works in conjunction with *The Federalist* shows just how far afield contemporary commentators have strayed Sunderland deliberately echoes and amplifies Madison's wisdom in *Federalist* No 10 that the object of the Constitution is to secure the public good and private rights and at the same time to preserve the spirit and form of popular government To attain that object he persuasively argues requires that the judiciary acknowledge and enforce the constitutional limitations upon its own powers In an era loudly proclaiming the return of popular government majority rule and the will of the people that argument is especially relevant and appealing

Refusing to be a Man John Stoltenberg, 1989 An interesting essay by a male anti pornography feminist Some discussion of homophobia Is the author gay I suppose so Peter Thorslev **The Girls Next Door** Lindsay Van Gelder, Pamela Robin Brandt, 1996 Lesbian chic has lent a sexy sheen to the subject of women loving women Yet despite a new visibility that has put the subject on the mainstream map for the first time lesbian culture is still distorted by popular misperceptions based on stereotype and is overshadowed by male culture Here the authors have constructed an unparalleled portrait of how gay women today think feel love live Authors tour **Sex and Reason** Richard A. Posner, 1992-03 As judge and legal scholar Posner shows we make quite rational choices about sex based on costs and benefits perceived Drawing on the fields of biology law history religion and economics this study examines societies from ancient Greece to today's Sweden and issues from masturbation incest taboos date rape and gay marriage to Baby M **Digest; Review of Reviews Incorporating Literary Digest** , 1929 **Human Sexuality** , 1987 **Best Magazine Articles** Gerald Walker, 1967 **Win** , 1983
