building and transmission processes The book challenges conventional historiographical approaches by weaving contemporary theories on cultural transmission into its historical narrative It argues that processes of transmission training spaces acting manuals photographic evidence newspaper reports international networking informal encounters cultural memories contribute to the formation and consolidation of theatre traditions Through English translations of rare Russian

sources the book expounds on side lined material on Stanislavsky including his relationship with German actor Ludwig Barnay use of improvisation at the First Studio and rehearsal practices for Artists and Admirers 1933 Valentin Smyshlaev's acting manual *The Technique to Process Stage Performance* and the creation of hybrid practices proletarian theatre as an amateur professional combination and force in the transformation of everyday life as seen in the Proletkult's volume *Art at the Workers Clubs* Meyerhold's Borodin Studio as an early example of Practice as Research his European tour of 1930 and international persona as depicted in newspapers published in the West and Asja Lacis's work with children which contributes to current efforts to address the gender imbalance that is often characteristic of modernism This historical theoretical investigation is combined with practical exercises that provide a more experiential understanding of the modern performance realities involved In this way the book speaks not only to theatre scholars and historians but also to students and practitioners engaged in practical work **Eradicating Illiteracy in the USSR** M.
