Slave Narratives North Carolina Volume Xi Part 1 And 2:

The Slave's Narrative Charles T. Davis, Henry Louis Gates Jr., 1991-02-21 These autobiographies of Afro American ex slaves comprise the largest body of literature produced by slaves in human history The book consists of three sections selected reviews of slave narratives dating from 1750 to 1861 essays examining how such narratives serve as historical material and essays exploring the narratives as literary artifacts Motherhood, Childlessness and the Care of Children in Atlantic Slave Societies Camillia Cowling, Maria Helena Pereira Toledo Machado, Diana Paton, Emily West, 2020-05-21 This book provides critical perspectives on the multiple forms of mothering that took place in Atlantic slave societies Facing repeated child death mothering was a site of trauma and grief for many even as slaveholders romanticized enslaved women's work in caring for slaveholders' children Examining a wide range of societies including medieval Spain Brazil and New England and including the work of historians based in Brazil Cuba the United States and Britain this collection breaks new ground in demonstrating the importance of mothering for the perpetuation of slavery and the complexity of the experience of motherhood in such circumstances This pathbreaking collection on all aspects of the experience politics and representations of motherhood under Atlantic slavery analyses societies across the Atlantic world and will be of interest to those studying the history of slavery as well as those studying mothering throughout history This book comprises two special issues originally published in Slavery Abolition and Women's History Review Slave Narratives - NORTH CAROLINA - Volume XI Best Books on, Federal Writers' Project, 1999 Women's America Linda K. Kerber, 2016 Featuring a mix of primary source documents articles and illustrations Women's America Refocusing the Past has long been an invaluable resource Now in its eighth edition the book has been extensively revised and updated to cover recent developments in U.S. women's history

The American Slave: Georgia narratives, part 1 George P. Rawick, 1977 **The American Slave: Texas narratives** George P. Rawick, 1979 Yonder Come Day Jasmine L. Holmes, 2024-09-03 As our nation has experienced a renewal of reckoning with the reality of slavery in our past and the continued struggle for equality and liberation in the present many previously untold stories have come to light But not every story Some histories remain shrouded waiting for someone to uncover them and make them known Incredibly some of them have been hiding in plain sight for decades Yonder Come Day brings these hidden histories into the light in an unconventional yet powerful way Drawing from the recorded interviews of more than 3 000 formerly enslaved people from across the South collected in the 1930s Jasmine L Holmes creates a compelling collective memoir unlike anything you've read The story follows Little One a composite character who guides the modern day reader through the experience of slavery As she grows from Little One to Lonely One to Lovely One to Grandmama she exposes both harsh truths and an irrepressible spirit helping us better understand the love resilience and faithfulness necessary to survive the evils of our nation's original sin Teachers historians and anyone doing the work of reconciliation will find that Yonder Come Day is the vital resource they didn't even know they were missing The American

Slave: Mississippi narratives, part 4 George P. Rawick, Ken Lawrence, Jan Hillegas, 1977 *Blood and War at My Doorstep* Brenda Chambers McKean, 2011-03-22 Between these pages the reader will learn that North Carolina citizens did not idly stand by as their soldiers marched off to war. The women worked themselves into patriotic exhaustion through Aid Societies. Civilians with different means of support from the lower class to the plantation mistress wrote the governor complaining of hoarding speculation, the tithe, bushwhackers, unionism, conscription and exemptions. Never before had so many died due to guerilla warfare. Unknown before, starving women with weapons stormed the merchant or warehouses in search for food. Others turned to smuggling, spying or nature's oldest profession. Information from period newspapers as well as mostly unpublished letters tell their stories. *The American Slave: Alabama narratives* George P. Rawick, 1977 *African American Dress and Adornment* Barbara Martin Starke, 1990 *God Struck Me Dead*, 1971 **God Struck Me Dead** Fisk University. African American Genealogical Sourcebook Paula Kay Byers, 1995 Gale has launched another new project Genealogical Sourcebook series and the first volumes look promising. The remaining volumes on Asian Americans and Native Americans will be published this summer. Libraries can order all four volumes for 239.0 8103 8541 4. Part 1 of each volume consists of informative essays on immigration and migration, basic genealogical methods and resources and problems specific to ethnic genealogy such as naming practices, the reuse of graves where families could not afford perpetual sites and reasons for deliberate falsification of records. Explanations and tips on accessing records specific to these groups such as those of the Freedmen's Bureau and the Inquisition records of religious orders and an overview of newspaper ads and Hispanic heraldry are instructive and pragmatic. Tables, examples and an extensive bibliography are included. Part 2 Directory of Genealogical Information lists libraries and archives, public and private organizations, print resources and other media that hold materials relevant to genealogists whether their focus is on genealogy in general or on a specific ethnic group. Libraries and archives are listed geographically those outside the U.S. are in Canada for African Americans and in Guatemala, Spain, Mexico, Argentina, Peru, Uruguay, Venezuela, Cuba, Chile, Colombia, Ecuador and Canada for Hispanic Americans. There are surprisingly few listings for Florida which has a substantial Hispanic population. Private and public organizations include commercial ventures, publishers, researchers for a fee, bookstores and nonprofits, genealogical societies, the American Antiquarian Society, etc. The section entitled Print Resources lists many sources from the 1980s but there are also current publications. The author and title organization indexes access only the products and sources listed in part 2. The subject index accesses the essays in part 1. Libraries that hold books such as George R. Ryskamp's *Tracing Your Hispanic Heritage* 1984 will want to keep them for their scholarly thoroughness. They will want to add these new books for their relative currency and for their simpler explanations of complicated facets of black and Hispanic culture.
