[Annual Report of the American Historical Association](#) American Historical Association, 1893    [Source-book of American history, ed. by A.B. Hart](#) Albert Bushnell Hart, 1899    **Citizen Or Slave** Gilder Lehrman Institute of American History, 2009-05-01

The constitutional legacy of the Dred Scott case has been long lasting What started as a freedom suit filed by Dred Scott and his wife in the St Louis Circuit Court in 1846 erupted into a U S Supreme Court case that ended in 1857 Read about the case details and political consequences surrounding one of the most infamous court decisions of our time Also includes a timeline of important dates

**Encyclopedia of African American History, 1896 to the Present**

Paul Finkelman, 2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century

*Women in American History* Peg A. Lamphier, Rosanne Welch, 2017-01-23 This four volume set documents the complexity and richness of women's contributions to American history and culture empowering all students by demonstrating a more populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to America's history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter

*New Approaches to Latin American History* Richard Graham, Peter H. Smith, 1974 New Approaches to Latin American History incorporates methods and concepts from the social sciences without abandoning a distinctively historical approach A collection of original essays by distinguished younger scholars it proposes original concepts and methods for analyzing crucial problems in Latin American history Using as examples such subjects as salvery dictatorship immigration and the relationship between land ownership and political power the contributors show how approaches and techniques from psychology political science economics and sociology can be applied to historical studies The papers attempt to explain the thematic and substantive importance of the particular problems at hand describe and evaluate standard approaches to them propose original hypotheses suggest methods for testing the hypotheses or indicate

major methodological or conceptual difficulties that have so far hampered such work. Despite their diversity of content the papers show strong underlying unities. First they all point to the need for placing institutions and actions in a broad societal context. The authors present an implicit cumulative argument against the excessive isolation of historical phenomena. Second they demonstrate the utility of interdisciplinary research. Third they issue an implicit call for rigorous comparative analysis. The propositions formulated in these essays can best be tested and modified in comparative fashion. Ultimately this book deals with the exposition of a research style a style based on systematic doubt an awareness of the need for conceptual rigor and a willingness to try new methodologies. For this reason it is of interest to historians in every field as well as to students of Latin America.

**Black Abolitionists in Ireland** Christine Kinealy, 2020-04-28 The story of the anti-slavery movement in Ireland is little known yet when Frederick Douglass visited the country in 1845 he described Irish abolitionists as the most ardent that he had ever encountered. Moreover their involvement proved to be an important factor in ending the slave trade and later slavery in both the British Empire and in America. While Frederick Douglass remains the most renowned black abolitionist to visit Ireland he was not the only one. This publication traces the stories of ten black abolitionists including Douglass who travelled to Ireland in the decades before the American Civil War to win support for their cause. It opens with former slave Olaudah Equiano kidnapped as a boy from his home in Africa and who was hosted by the United Irishmen in the 1790s it closes with the redoubtable Sarah Parker Remond who visited Ireland in 1859 and chose never to return to America. The stories of these ten men and women and their interactions with Ireland are diverse and remarkable.

**Annual Report of the American Historical Association**, 1893 Illustrated Topics for American History Albert Edward McKinley, 1912

*Slavery and Abolition, 1831-1841* Albert Bushnell Hart, 2023-07-18 A comprehensive history of the abolitionist movement in the United States from 1831 to 1841 with a focus on the role of slavery and its impact on American society and politics. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

**Abolitionist Twilights** Raymond James Krohn, 2023-10-03 Provides unique insight into Reconstruction's downfall and Jim Crow's emergence. In the years and decades following the American Civil War, veteran abolitionists actively thought and wrote about the campaign to end enslavement immediately. This study explores the late-in-life reflections of several antislavery memorial and historical writers evaluating the stable and shifting meanings of antebellum abolitionism amidst dramatic changes in postbellum race relations. By investigating veteran abolitionists as movement chroniclers and commemorators and situating their texts within various contexts, Raymond James Krohn further

assesses the humanitarian commitments of activists who had valued themselves as the enslaved people's steadfast friends. Never solely against slavery post 1830 abolitionism challenged widely held anti Black prejudices as well. Dedicated to emancipating the enslaved and elevating people of color it equipped adherents with the necessary linguistic resources to wage a valiant sustained philanthropic fight. *Abolitionist Twilights* focuses on how the status and condition of the freedpeople and their descendants affected book length representations of antislavery persons and events. In probing veteran abolitionist engagement in or disengagement from an ongoing African American freedom struggle this ambitious volume ultimately problematizes scholarly understandings of abolitionism's racial justice history and legacy.
