Slavery In The History Of Muslim Black Africa:

Slavery in the History of Muslim Black Africa Humphrey J. Fisher, 2001 Fisher's account explains how slaves came to serve as currency goods eunuchs soldiers and in some cases as statesmen Jacket *Slavery in the History of Black Muslim Africa* Allan G. B. Fisher, Humphrey J. Fisher, 2001-08-01 Will be welcomed by all interested in African history and anthropology A valuable contribution and a rich mine of material Journal of African History In many parts of the African Muslim world slavery still blights the landscape What are the origins of this terrible institution Why is it still practiced How widespread is it and how does it differ from Western chattel slavery This book tells the story of how the enslavement of Africans by Berbers Arabs and other Africans became institutionalized and legitimized throughout Muslim Africa A classic pioneering study first published in 1971 and extensively updated in this revised edition *Slavery in the History of Black Muslim Africa* provides an expansive portrait of domestic slavery from the tenth to the nineteenth century in the context of the religious social and economic conditions of the African Islamic world Drawing on a host of accounts from contemporary observers such as Leo Africanus and Ibn Battuta Fisher and Fisher describe the status and rights of slaves in Africa and their various roles as currency goods eunuchs soldiers and statesmen as well as the jarring historical interruption brought on by slave raiders and traders in West and North Africa

Islam, Black Nationalism and Slavery Adib Rashad, 1995 [Race and Slavery in the Middle East](#) Bernard Lewis, 1990 From before the days of Moses up through the 1960s slavery was a fact of life in the Middle East Pagans Jews Christians and Muslims bought and sold at the slave markets for millennia trading the human plunder of wars and slave raids that reached from the Russian steppes to the African jungles But if the Middle East was one of the last regions to renounce slavery how do we account for its and especially Islam's image of racial harmony How did these long years of slavery affect racial relations In *Race and Slavery in the Middle East* Bernard Lewis explores these questions and others examining the history of slavery in law social thought and practice over the last two millennia With 24 rare and intriguing full color illustrations this fascinating study describes the Middle East's culture of slavery and the evolution of racial prejudice Lewis demonstrates how nineteenth century Europeans mythologized the region as a racial utopia in debating American slavery Islam in fact clearly teaches non discrimination but Lewis shows that prejudice often won out over pious sentiments as he examines how Africans were treated depicted and thought of from antiquity to the twentieth century If my color were pink women would love me But the Lord has marred me with blackness lamented a black slave poet in Arabia over a millennium ago and Lewis deftly draws from these lines and others the nuances of racial relations over time Islam he finds restricted enslavement and greatly improved the lot of slaves who included until the early twentieth century some whites while blacks occasionally rose to power and renown But abuses ring throughout the written and visual record from the horrors of capture to the castration and high mortality which along with other causes have left few blacks in many Middle Eastern lands despite centuries of importing African slaves *Race and Slavery in the Middle East* illuminates the

legacy of slavery in the region where it lasted longest from the days of warrior slaves and palace eunuchs and concubines to the final drive for abolition Illustrated with outstanding reproductions of striking artwork it casts a new light on this critical part of the world and on the nature and interrelation of slavery and racial prejudice **Black and Slave** David M. Goldenberg, 2017-05-22 Studies of the Curse of Ham the belief that the Bible consigned blacks to everlasting servitude confuse and conflate two separate origins stories etiologies one of black skin and the other of black slavery This work unravels the etiologies and shows how the Curse an etiology of black slavery evolved from an earlier etiology explaining the existence of dark skinned people We see when where why and how an original mythic tale of black origins morphed into a story of the origins of black slavery and how in turn the second then supplanted the first as an explanation for black skin In the process we see how formulations of the Curse changed over time depending on the historical and social contexts reflecting and refashioning the way blackness and blacks were perceived In particular two significant developments are uncovered First a curse of slavery originally said to affect various dark skinned peoples was eventually applied most commonly to black Africans Second blackness originally incidental to the curse in time became part of the curse itself Dark skin now became an intentional marker of servitude the visible sign of the blacks degradation and in the process deprecating black skin itself *Abd* Justin Marozzi, 2025-10-01 Justin Marozzi onthult in *Abd* het menselijke drama van degenen die verstrikt raakten in de schrijnende maar vaak over het hoofd geziene geschiedenis van de slavernij in de islamitische wereld en geeft hen een stem Marozzi geeft een historische analyse en hedendaagse reportage en raakt daarmee grote thema's als religie macht ethiek en de grenzen van traditie Slavernij in de islamitische wereld kent een lange complexe en omstreden geschiedenis Vanaf de zevende eeuw wanneer de Profeet Mohammed een aantal slaven verheft tot Metgezel tot de nog steeds bestaande slavernij in Mali en Mauritani gedurende deze vijftien eeuwen heeft slavernij en slavenhandel in uiteenlopende vormen bestaan binnen islamitische samenlevingen Afrika moest het grootste deel van de vraag naar slavenarbeid opvangen miljoenen mensen werden te voet door de Sahara naar gevangenschap gevoerd maar ook Europeanen moslims christenen en joden werden tot slaaf gemaakt En anders dan bij de trans Atlantische slavenhandel waarbij de meeste slaven op een Amerikaanse plantage terecht kwamen vervulden slaven in de islamitische wereld verschillende rollen ze waren concubines slaafsoldaten piraten paleiswachters en soms zelfs militair bevelhebbers Een gedurfde briljante en actuele geschiedenis die een van de meest verwaarloosde en ongemakkelijke onderwerpen uit de wereldgeschiedenis aan de orde stelt Een ongekend belangrijk boek Peter Frankopan Justin Marozzi heeft met *Abd* de diepe wortels van deze misstand op voorbeeldige wijze opgegraven in NRC **Christian Reflection in Africa** Paul Bowers, 2018-07-05 This reference collection presents academic reviews of more than twelve hundred contemporary Africa related publications relevant for informed Christian reflection in and about Africa The collection is based on the review journal BookNotes for Africa a specialist resource dedicated to bringing to notice such publications and furnishing them with a one paragraph description
