## Slavophiles And Commissars

**Konstantin Sheiko, Stephen Brown**

## **Slavophiles And Commissars:**

**Slavophiles and Commissars: Ideas. 1. The Intelligentsia and the Nationalist Revival. 2. Neo-Fascism. 3.**

**Russian Orthodoxy and Nationalism** Judith Devlin,1999     **Slavophiles and Commissars** J. Devlin,1999-05-17 This book examines contemporary Russian nationalism as it reemerged in the wake of Gorbachev's liberalisation. The book argues that the new nationalism provided opponents of reform with an apparently novel justification for their hostility to the liberalisation inaugurated by Gorbachev and erratically pursued by Yeltsin

**Russian Society and the Orthodox Church**

Zoe Knox,2004-06-02 Russian Society and the Orthodox Church examines the Russian Orthodox Church's social and political role and its relationship to civil society in post Communist Russia. It shows how Orthodox prelates, clergy and laity have shaped Russians' attitudes towards religious and ideological pluralism which in turn have influenced the ways in which Russians understand civil society including those of its features pluralism and freedom of conscience that are essential for a functioning democracy. It shows how the official church including the Moscow Patriarchate has impeded the development of civil society while on the other hand the non official church including nonconformist clergy and lay activists has promoted concepts central to civil society

**The Populist Radical Right** Cas Mudde,2016-10-04 The populist radical right is one of

the most studied political phenomena in the social sciences counting hundreds of books and thousands of articles. This is the first reader to bring together the most seminal articles and book chapters on the contemporary populist radical right in western democracies. It has a broad regional and topical focus and includes work that has made an original theoretical contribution to the field which make them less time specific. The reader is organized in six thematic sections 1 ideology and issues 2 parties organizations and subcultures 3 leaders members and voters 4 causes 5 consequences and 6 responses. Each section features a short introduction by the editor which introduces and ties together the selected pieces and provides discussion questions and suggestions for further readings. The reader is ended with a conclusion in which the editor reflects on the future of the populist radical right in light of more recent political developments most notably the Greek economic crisis and the refugee crisis and suggest avenues for future research

*Russian Intellectual Antisemitism in the Post-Communist Era* Vadim Joseph Rossman,2002-01-01 Antisemitism has had a long and complex history in Russian intellectual life and has revived in the post Communist era. In their concept of the identity of the Jewish people many academics and other thinkers in Russia continue to cast Jews in a negative or ambivalent role. An inherent rivalry exists between Russia and the Jews because Russians have often viewed themselves whether through the lens of atheistic communism or that of the most conservative elements of the Orthodox Church as a chosen people whose destiny is to lead the way to world salvation. In this book Vadim Rossman presents the foundations and present influence of intellectual antisemitism in Russia. He examines the antisemitic roots of some major trends in Russian intellectual thought that emerged in earlier decades of the twentieth century and are still significant in the post Communist era neo Eurasianism Eurasian

historiography National Bolshevism neo Slavophilism National Orthodoxy and various forms of racism Such extreme right wing ideology continues to appeal to a certain segment of the Russian population and seems unlikely to disappear soon Rossman confronts and challenges a range of disturbing sometimes contradictory but often quite sophisticated antisemitic ideas posed by Russian sociologists historians philosophers theologians political analysts anthropologists and literary critics

**Canadian-American Slavic Studies**, 2000 A quarterly journal devoted to Russia and East Europe [Nationalist Imaginings of the Russian Past](#) Konstantin Sheiko, Stephen Brown, 2009 Anatolii Fomenko is a distinguished Russian mathematician turned popular history writer founder of the so called New Chronology school and part of the explosion of alternative historical writing that has emerged in Russia since the collapse of the Soviet Union Among his more startling claims are that the Old Testament was written after the New Testament that Russia is older than Greece and Rome and that the medieval Mongol Empire was in fact a Slav Turk world empire a Russian Horde to which Western and Eastern powers paid tribute While academic historians dismiss Fomenko as a dangerous ethno nationalist or post modern clown Fomenko's publications invariably outsell his conventional rivals Just as Putin has restored Russia's faith in its future Fomenko and an army of fellow alternative historians are determined to restore Russia's faith in its past For Fomenko the key to Russia's greatness in the future lies in ensuring that Russians understand the true greatness of their past Fomenko and other pseudo historians have built upon existing Russian notions of identity specifically the widespread belief in the positive qualities of empire and the special mission of Russia He has drawn upon previous attempts to establish a Russian identity ranging from Slavophilism through Stalinism to Eurasianism While fantastic Fomenko's pseudo history strikes many Russian readers as no less legitimate than the lies and distortions peddled by Communist propagandists Tsarist historians and church chroniclers

**The Communist Party in Post-Soviet Russia** Luke March, 2002 Drawing on extensive research Luke March details the ideology organization and activity of a political phenomenon which has received little in depth analysis or scholarly consensus He analyses the Communist Party of the Russian Federation's evolution in the context of post Soviet political developments to provide detailed and stimulating examination of a party whose role in Russian politics is far more complex and contradictory than is generally understood

#### **Discourse and Transformation in Central and Eastern Europe**

Aleksandra Galasinska, Aleksandra Galasińska, Michał Krzyzanowski, 2009-02-15 This volume explores the discursive nature of post 1989 social change in Central and Eastern Europe Through a set of national case studies the construction of post communist transformation is explored from the point of view of accelerating and unique dynamics of linguistic and discursive practices

#### ***Hegemony, International Political Economy and Post-communist Russia*** Owen Worth, 2005

This illuminating book explores the neo Gramscian school of international political economy and their conceptualization of global hegemony and furthers these by looking at how the often fragmented society of post Communist Russia can provide insight into the nature and workings of neo liberal global hegemony The volume illustrates how historically Russia has been a unique case in

rejecting Western inspired hegemonic projects It outlines how successive governments since the fall of the Soviet Union have attempted often unsuccessfully to integrate Russia into the global economy and identifies the multitude of ideological contestation within Russia It will prove a useful addition to the literature on both post Communist Russian studies and international political economy *Toward an Uncivil Society?* Andreas Umland,2002 *Slavic Review* ,2000 American quarterly of Soviet and East European studies varies *Carrots, Sticks, and Ethnic Conflict* Milton J. Esman,Ronald J. Herring,2001-04-03 Investigates whether international development assistance helps or aggravates ethnic strife *Russian Eurasianism* Marlène Laruelle,2008-10 Since the dissolution of the Soviet Union Russia has been marginalized at the edge of a Western dominated political and economic system In recent years however leading Russian figures including former president Vladimir Putin have begun to stress a geopolitics that puts Russia at the center of a number of axes European Asian Christian Muslim Buddhist Mediterranean Indian Slavic Turkic and so on This volume examines the political presuppositions and expanding intellectual impact of Eurasianism a movement promoting an ideology of Russian Asian greatness which has begun to take hold throughout Russia Kazakhstan and Turkey Eurasianism purports to tell Russians what is unalterably important about them and why it can only be expressed in an empire Using a wide range of sources Marlène Laruelle discusses the impact of the ideology of Eurasianism on geopolitics interior policy foreign policy and culturalist philosophy

**Bibliographic Guide to Slavic** Gale Group,2000-06-09 *Limited Inclusion Nationalism in Contemporary Russia* Yakov Shchukin,2006 *European Encounters* Judith Devlin,Howard B. Clarke,2003 This volume of essays by members of the Department of History at University College Dublin is dedicated to the memory of their colleague Albert Lovett 1944 2000 The essays provide lively reading on subjects covering a wide range of time and place reflecting Professor Lovett's own interests *Historical Studies* ,1958 *Current Contents* Institute for Scientific Information (Philadelphia),2002 *Russian Politics and Law* ,2008

When people should go to the book stores, search creation by shop, shelf by shelf, it is truly problematic. This is why we offer the book compilations in this website. It will certainly ease you to see guide **Slavophiles And Commissars** as you such as.

By searching the title, publisher, or authors of guide you essentially want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. If you point to download and install the Slavophiles And Commissars, it is categorically simple then, back currently we extend the link to purchase and create bargains to download and install Slavophiles And Commissars hence simple!
