The birthday king Gabriel Fielding,1959 *The Birthday King* Alan Gabriel Barnsley,1965 *The Birthday King* ,1962
Jet ,1982-02-04 The weekly source of African American political and entertainment news **The Birthday King** Gabriel Fielding,1963 Our fortunes are with Greater Germany We must survive the crisis with discretion and foresight this remark by one of the characters in Gabriel Fielding s implacable impressive novel of inside Hitler s Germany explains the spiritual metabolism of a great many of those who temporized and compromised in the touchy business of material self interest and physical self preservation They are certainly as guilty as those that stoked the fires of the crematoria Prominent here are the Weidmanns an industrialist family of sufficient prestige to avoid the taint of their Jewish blood lines thinned by intermarriage and their old friends the von Hoffbachs who play the social game in Berlin with the Hitler hierarchy Most of the characters pursue an expedient course but particularly Ruprecht Weidmann the younger of two sons anxious to get his hands on the family factories while Alfred the older with a strong religious drift needs to resolve his own spiritual and political convictions Thus he is an easy victim for Rupecht s betrayal which leads to a more comfortable internment first and then the horrors observed in an extermination camp It is an admirable book a forceful illumination and considered indictment of the innocent malevolence of the Germans and there are scenes and characters of depth as well as sharpness To be read reluctantly by some and remembered but perhaps less likely to appeal than the Greenbloom cycle Kirkus **A Chat with the Boys on New Year's Eve. By Old Merry** ,1862 Rebuilding Buddhism Sarah LeVine,David N. Gellner,2007-09-30 Rebuilding Buddhism describes in evocative detail the experiences and achievements of Nepalis who have adopted Theravada Buddhism This form of Buddhism was introduced into Nepal from Burma and Sri Lanka in the 1930s and its adherents have struggled for recognition and acceptance ever since With its focus on the austere figure of the monk and the biography of the historical Buddha and more recently with its emphasis on individualizing meditation and on gender equality Theravada Buddhism contrasts sharply with the highly ritualized Tantric Buddhism traditionally practiced in the Kathmandu Valley Based on extensive fieldwork interviews and historical reconstruction the book provides a rich portrait of the different ways of being a Nepali Buddhist over the past seventy years At the same time it explores the impact of the Theravada movement and what its gradual success has meant for Buddhism for society and for men and women in Nepal *Household Words* Charles Dickens,1855 **The Birthday King, a Romance by Gabriel Fielding [pseud.]**. Gabriel Fielding,1962 Statues Without Shadows Anna Swan,2006-05-08 Anna grew up accepting that her parents were glamorous but mysterious figures who had both died by the time she was seven It was only when she was in her thirties that she discovered they had both committed suicide As she began to search for the truth about her parents she uncovered details about their fascinating and incredibly divergent backgrounds her father s family can trace their ancestry to King James II Her mother came from a Welsh mining family They met in 1950s literary London and fell in love But a year after Anna was born her mother was dead The
