'Insubordinate Irish' Micheal O' hAodha, 2013-07-19

This book traces a number of common themes relating to the representation of Irish Travellers in Irish popular tradition and how these themes have impacted on Ireland's collective imagination A particular focus of the book is on the exploration of the Traveller as Other an Other who is perceived as both inside and outside Ireland's collective ideation Frequently constructed as a group whose cultural tenets are in a dichotomous opposition to that of the settled community this book demonstrates the ambivalence and complexity of the Irish Traveller Other in the context of a European postcolonial country Not only has the construction and representation of Travellers always been less stable and fixed than previously supposed these images have been acted upon and changed by both the Traveller and non Traveller communities as the situation has demanded Drawing primarily on little explored Irish language sources this volume demonstrates the fluidity of what is often assumed as reified or fixed As evidenced in Irish language cultural sources the image of the Traveller is inextricably linked with the very concept of Irish identity itself They are simultaneously the same and Other and frequently function as exemplars of the hegemony of native Irish culture as set against colonial traditions This book is an important addition to the Irish Studies canon in particular as relating to those exciting and unexplored terrains hitherto deemed marginal Traveller Studies Romani Studies and Diaspora Migration Studies to name but a few

The Blacksmith Anointing

Bruce Heany, 2010-06 Now is the time for you to see with new eyes Many are called for such a time as this to see people from a very different perspective In the same way a blacksmith in days of old forged and shaped material into useable objects God is calling spiritual blacksmiths to forge His people into the tools and weapons needed in this His kingdom era What exciting times we live in where God's power is majestically released in the midst of extremely tumultuous times and the body of Christ is lifted into the fullness of its original intent Come journey with one of God's blacksmiths as he sheds light on a variety of kingdom based calls and appointments for the people of God See revealed within these pages some of the typical strategies of the enemy used against these God given callings and learn techniques to overcome them as you deepen your relationship with Christ Many are called but few chosen Be one of the chosen and step into the fullness of your calling to forge and empower the people of God as a Spiritual Blacksmith
