

Gorilla

Story 1, Tracks 1-4

Review Key Words

monsters	large, dangerous animals or things
shy	feeling afraid around others; bashful
mean	not nice; cruel
pound	to hit hard

Write a Prediction

Read the Story

1 Gorilla! The very word terrifies
2 people. They think gorillas are
3 monsters who would like to tear
4 them limb from limb. And, to be
5 sure, gorillas look frightening. Their
6 faces look mean, and they are big
7 and strong. But the truth is, gorillas
8 are very shy. They don't want to eat
9 people. They eat only grass and
10 leaves. When they pound their
11 chests, it is only to frighten an
12 enemy. If that doesn't work, the
13 gorilla will just run away.

14 The most famous gorilla was
15 Gargantua the Great. He was in the

16 circus. Circus posters called him
17 "The World's Most Terrifying Living
18 Creature." They showed pictures of
19 him looking terrible. Before he was
20 in the circus, Gargantua belonged to
21 a woman in New York. She called
22 him from a baby. And she thought
23 he was very sweet. One night it was
24 turning out. Gargantua was afraid
25 so he broke out of his cage and
26 crawled like a frightened child into
27 bed with the woman! That was when
28 she decided to give him to the circus.
