Ulmer,2013-02-22 Many people envision God as a strict father figure stern detached exacting and vengeful lacking feelings and emotions Yet once we come to understand that God actually expresses a wide range of passion we will relate to Him on a much more human level and start seeing Him for who He really is In *Passionate God* Kenneth Ulmer helps us understand and appreciate the humanity of God as expressed through His emotions joy sympathy grief care laughter jealousy humor anger and of course love This book will change the way people view and relate to God because it reveals a Creator intimately involved with His beloved creation and is more like us than we ever imagined      **Harmony of the Acts of the Apostles and Chronological Arrangement of the Epistles and Revelation, with Chronological and Explanatory Notes, and Valuable Tables.
