The Doctors Daughter:

The Doctor's Daughter W. J. Todd, 1887 *The Doctor's Daughter* Sophie May, 1871 This first novel in the author's Quinebasset Girls series set in Quinebasset Maine follows the trials and tribulations of high spirited Marian the titular doctor's daughter and her more melancholy friend Judith *The Doctor's Daughter* Disha Mangal, The story of the pandemic narrated by a doctor's daughter For the common people the pandemic meant being locked in their rooms houseful homes family time and news getting worse but for a family of doctors it was totally different From knowing scary stories from the inside of the hospitals to the risk of getting exposed to the virus from prayers to no family time from being denied proper weapons for the war to staying compassionate The pandemic surely hit the families of the Corona Warriors in a different manner Illustrating the same is the narrative of a child from a family of warriors **The Doctor's Daughter** Hilma Wolitzer, 2007-12-18 In her first work of fiction in more than a decade award winning novelist Hilma Wolitzer brilliantly renders the intimate details of ordinary life and exposes a host of hidden truths The Doctor's Daughter is a haunting portrait of a woman coming to terms with her family history and the fallibility of memory One morning Alice Brill awakes with a sudden awareness that something is wrong There's a hollowness in her chest and a sensation of dread that she can't identify or shake Was it something she's done or forgotten to do As she scours her mind for the source of her unease she confronts an array of disturbing possibilities First there is her marriage a once vibrant relationship that now languishes in stasis Then there's her idle misdirected younger son who always needs bailing out of some difficulty Or perhaps Alice's trepidation is caused by the loss of her career as an editor at a large publishing house and the new path she's paved for herself as a freelance book doctor Or it might be the real doctor in her life her father Formerly one of New York's top surgeons he now rests in a nursing home his mind gripped by dementia And the Eden that was Alice's childhood the material benefits and reflected glory of being a successful doctor's daughter the romance of her parents famously perfect marriage makes her own domestic life seem fatally flawed While struggling to find the root of her restlessness Alice is buoyed by her discovery of a talented new writer a man who works by day as a machinist in Michigan Soon their interactions and feelings intensify and Alice realizes that the mystery she's been trying to solve lies not in the present as she had assumed but in the past and in the secrets of a marriage that was never as perfect as it appeared Like the best works of Anne Tyler Sue Miller and Gail Godwin The Doctor's Daughter is private yet universal luminous and revelatory and marks the reemergence of a singular talent in American writing **Courting the Doctor's Daughter** Janet Dean, 2009-05-01 A widow with three boys to raise Mary Graves has no time for peddlers of phony medicine She's a dedicated healer working alongside her doctor father When a handsome stranger blows into town with his elixir of health and asks questions about her newly adopted son Mary's determined to uncover the truth behind all his claims Once the reckless heir to a Boston fortune Dr Luke Jacobs travels the country with his herbal medicine while searching for his long lost son After meeting the feisty doctor's daughter and her youngest boy Luke

has found what he s been looking for at last But can he convince her to let him into her home her family and her heart
