The Dog Fighter:

The Dog Fighter Marc Bojanowski, 2004-05-25 In this remarkable debut novel set in 1940s Mexico Marc Bojanowski has crafted a work of startling originality a poetic mesmerizing tale of loyalty violence love and redemption Written in the searing voice of its unnamed narrator this is the story of a young man drifting through the badlands of California and Mexico after the death of his mother He eventually settles in Canci n a sleepy Baja city on the verge of transformation Lured by money and fame he enters into an underground world where men fight against trained dogs before a raucous crowd of the town s elite businessmen and those who work for them With an uncommon display of strength skill and sheer fearlessness he becomes an overnight success Before long he catches the eye of a powerful businessman whose grand vision is to turn Canci n into a lucrative resort destination But when the dog fighter finds friendship with a revolutionary old poet and is drawn toward a mysterious young woman he becomes ensnared in an intricate web of promise and deceit Caught between the ways of his past and the dreams of his future he is forced to make a devastating choice that ignites a mixture of jealousy greed lust and betrayal culminating in a fight both for his life and the fate of the city Haunting lyrical imaginative and immensely powerful
