House documents ,1895 *Liberty on the Waterfront* Paul A. Gilje,2012-04-17 Through careful research and colorful accounts historian Paul A Gilje discovers what liberty meant to an important group of common men in American society those who lived and worked on the waterfront and aboard ships In the process he reveals that the idealized vision of liberty associated with the Founding Fathers had a much more immediate and complex meaning than previously thought In *Liberty on the Waterfront* American Maritime Culture in the Age of Revolution life aboard warships merchantmen and whalers as well as the interactions of mariners and others on shore is recreated in absorbing detail Describing the important contributions of sailors to the resistance movement against Great Britain and their experiences during the Revolutionary War Gilje demonstrates that while sailors recognized the ideals of the Revolution their idea of liberty was far more individual in nature often expressed through hard drinking and womanizing or joining a ship of their choice Gilje continues the story into the post Revolutionary world highlighted by the Quasi War with France the confrontation with the Barbary Pirates and the War of 1812 *John MacGregor ("Rob Roy")* Edwin Hodder,1895 *Seeing Things* Oliver Postgate,2009-11-05 Oliver Postgate s death in December 2008 was greeted with great sadness For over forty years his name was synonymous with the best in children s television Bagpuss The Clangers Ivor the Engine The Pogles Noggin the Nog Pingwings Oliver wrote and narrated the stories while Peter Firmin illustrated the characters and made the puppets Their classic films are still loved by viewers of all ages In this delicious autobiography Oliver Postgate describes how he came to create his stories and characters developing innovative techniques of animation and puppetry alongside his friend and co producer Peter Firmin Amazingly almost all of Oliver s films were made in a cowshed in Kent on a budget of next to nothing But the path to film making was far from conventional or even planned Oliver Postgate was the grandson of George Lansbury leader of the Labour Party in the 1920s and his father was Raymond Postgate who became famous as the founder and author of The Good Food Guide Oliver followed in neither s footsteps Before his first TV production Alexander the Mouse in 1958 he had already been a war evacuee a conscientious objector a farm labourer a relief worker in post war Germany an artist an actor and an inventor The story of Oliver Postgate s extraordinary and adventurous life and the wonderful characters who populated it both real and imagined is witty charming beautifully remembered and beautifully told **Lotus Blue** Cat Sparks,2017-03-07 Imaginative
