The Early History Of Israel:

The Early History of Israel Roland de Vaux,1978 **A History of Ancient Israel and Judah** James Maxwell Miller,1986-01-01 A significant achievement this book moves our understanding of the history of Israel forward as dramatically as John Bright s A History of Israel Martin Noth s History of Israel and William F Albright s From the Stone Age of Cristianity did at an earlier period **Ancient Israel** Niels Peter Lemche,2015-11-19 When this provocative text was first published Lemche presented a new model of how we should understand Israelite society its history and its religion Lemche argues first that Israel was the result of a social development among the Canaanite population of Palestine in the second half of the second millennium BCE This implies that Israelite religion was originally Canaanite and that what we think of as typically Jewish religion did not arise until c 500 BCE Lemche s radical reassessment of Israelite history is based on the conviction that the Old Testament contains hardly any historical sources older than the seventh century BCE The early history of Israel must therefore be reconstructed from archaeological results and non biblical evidence not from the Old Testament In this new edition Lemche provides an extensive new introduction and bibliography considering how the field has developed since the work first appeared [The Early History of Israel](#) Roland de Vaux,1978 **The Quest for the**

volume presents a clear historical context and an interpretative matrix for the Bible The Early Religion of Israel James Robertson,1892 **The Ancient Hebrew Tradition as Illustrated by the Monuments** Fritz Hommel,1897 **The Invention of Ancient Israel** Keith W. Whitelam,1996 Shows how ancient Israel has been invented by scholars in the image of a European nation state influenced by the Israeli state created in 1948 Biblical scholars have contributed to dispossessing the Palestinians of their land and their past **The Early History of Israel: To the Exodus and the Covenant of Sinai** Roland de Vaux,1978 **Current Discussions in Theology** ,1884 The Book of the Prophet Ezekiel Andrew Bruce Davidson,1893 **The Expositor** Samuel Cox,Sir William Robertson Nicoll,James Moffatt,1900 **The Creation of History in Ancient Israel** Marc Zvi Brettler,2002-11 Argues that the biblical historians were influenced by typology interpretation of earlier texts satire and ideology shows how with this model we can put together a history of ancient Israel using the Hebrew Bible as a key source *The Book of History: The Near East* ,1915 A profusely illustrated summary of world history from an Euro centric view but in great detail up to the end of World War II **A Biblical History of Israel** Iain Provan,V. Philips Long,Tremper Longman III,2003-09-30 In this much anticipated textbook three respected biblical scholars have written a history of ancient Israel that takes the biblical text seriously as an historical document While also considering nonbiblical sources and being attentive to what disciplines like archaeology anthropology and sociology suggest about the past the authors do so within the context and paradigm of the Old Testament canon which is held as the primary document for reconstructing Israel's history In Part One the authors set the volume in context and review past and current scholarly debate about learning Israel's history negating arguments against using the Bible as the central source In Part Two they seek to retell the history itself with an eye to all the factors explored in Part One
