The International Day *of* the Disappeared

AUGUST 30

Otkrivanjem istine poštuјmo sudbine nestalih lica i njihovih porodica!

By uncovering the truth, let's respect the fates of the missing persons and their families!

Duke zbuluar të vërtetën, le të respektojmë fatet e personave të pagjetur dhe familjeve të tyre!

The Disappeared

Roger Scruton

The Disappeared:

The Disappeared Sam Ferguson (Attorney), 2023-07 The Disappeared tells the extraordinary saga of Argentina's attempt to right the wrongs of an unspeakably dark past Using a recent human rights trial as his lens Sam Ferguson addresses two central questions of our age How is mass atrocity possible and What should be done in its wake From 1976 to 1983 thousands of people were the victims of state terrorism during Argentina's so called Dirty War Ferguson recounts a twenty two month trial of the most notorious perpetrators of this atrocity who ran a secret prison from the Naval Mechanics School in Buenos Aires The navy executed as many as five thousand political subversives most of whom were sedated and thrown alive out of airplanes into the South Atlantic The victims of these secret death flights and others who went missing during the regime are known as los desaparecidos the disappeared Ferguson explores Argentina's novel response to mass atrocity the country's remarkable and controversial decisions in 2003 to repeal a series of amnesty laws passed in the 1980s and to prosecute anew the perpetrators of the Dirty War a generation after the collapse of the country's last dictatorship As of 2022 more than one thousand aging military officers have been indicted for their involvement in the Dirty War and hundreds of trials have commenced in the country's civilian courts Among the many facets of the book Ferguson takes an in depth look at allegations that Father Jorge Mario Bergoglio now Pope Francis was involved in the disappearance of two Jesuit priests under his supervision in 1976 Bergoglio was called to testify in a closed chambers session Ferguson reviewed those secret proceedings and uses them as a springboard to explore the Argentine Catholic Church and its broader role in the Dirty War The lingering but acute trauma of the victims who testified at the trial underscores the moral urgency of accountability When a state strips its citizens of all their rights the only response that approximates reparation is to restore the rule of law and punish the perpetrators Yet the trial also revealed the limits of using criminal law to respond to mass atrocity Justice demands a laser like focus on evidence relevant to a crime but atrocity begs for social understanding Can the law ever bring full justice

Book of the Disappeared Jennifer Heath, Ashraf Zahedi, 2023-05-30 Book of the Disappeared confronts worldwide human rights violations of enforced disappearance and genocide and explores the global quest for justice with forceful outstanding contributions by respected scholars expert practitioners and provocative contemporary artists This profoundly humane book spotlights our historic inhumanity while offering insights for survival and transformation

The Disappeared Sandra Peake, Orla Lynch, 2024-09-02 This short book focuses on the Disappearances that occurred during the Troubles in Northern Ireland Using in depth interviews with thirteen families of those individuals who were abducted murdered and secretly buried from the 1970s onwards this book examines the experience of the families and communities left behind Through an exploration of the historic and cultural origins of the contemporary IRA and how they came to be in the position of power within Catholic Nationalist communities during the troubles the context to the disappearances are presented This book reviews the journey undertaken by the families from the initial disappearance of their loved one and the

suffocating silence that followed through their coming together as a self help group It follows their lobbying on a national and international basis leading to the return of the bodies of some of their loved ones and the solidarity which leads them to fight on as a group to recover the bodies that remain missing It also examines the involvement of the British and Irish and American governments in the set up of the International Commission for the Location of Victim s Remains and tells the story of the Clinton s personal involvement in supporting the families in their ongoing quest for recovery It is written accessibly for researchers and practitioners

Engaging Terror Marianne Vardalos,2009 Engaging Terror A Critical and Interdisciplinary Approach is a collection of select extended papers drawn from The Human Condition Series THCS conference on Terror that took place in May 2008 The international scope of the conference drew participants from twenty three countries including Brazil Columbia Cuba France Israel Lebanon Lithuania New Zealand Nigeria Pakistan the Philippines Scotland Singapore South Africa Turkey and the United Kingdom The thirty five essays presented here are a representative sample of the interdisciplinary discussion which sought to analyze popular concepts like terrorism and terrorist as social political and psychosocial phenomena Engaging Terror seeks to reveal the diverse forms of terror that persist in contemporary societies For instance cultural forms such as the fine arts film literature mass media religion and market economy continue to define and limit rationality and freedom through institutionalized forms of terror In this way terror shapes our experiences not only through the politics of nation building and international relations but also through the social and ideological production of fear in everyday life Topics covered in this volume include the representation and production of terror from a multiplicity of sites ranging from mental health practices and organized religion to news coverage and musical scores This book will appeal to both scholars and general readers interested in how seemingly benign forms of terror shape and maintain the contemporary human condition Reaching beyond mainstream studies on terror as simply an international political phenomenon this interdisciplinary collection of work multiplies the fields of critical research to broaden the scope of analysis and fundamentally challenge the state of modernity
