Domesday Book Peter Kennard,1999 This book combines poetry photography and photomontage to create a narrative of our time as we approach the Millennium Kennard s narrator is a wandering figure who arrives at the Millennium Dome as it is still under construction In a fragmentary and hallucinatory fashion the narrator flicks through images of the 20th Century as though seeing the images on a projector This attempt to find a new form for the photographic book is a creative example of the The Critical Image series which was commissioned to illustrate the links between photography and power and to reveal how photography builds a sense of reality and promotes national interests As the foremost practitioner of photomontage
