China and Japan in the Global Economy Tomoo Kikuchi, Masaya Sakuragawa, 2018-04-09 This book discusses the necessity for cooperation between China and Japan to provide international public goods to Asia It provides insight into how China and Japan can redesign the process of economic integration and security architecture to ensure peace and prosperity in Asia and how China and Japan can cooperate to correct the capital misallocation and channel savings more effectively to investments in Asia It also suggests how China and Japan can promote free trade to help Asian economies upgrade their industries in the global supply chain The book is an invaluable contribution to the existing discussion on China Japan relations and how their cooperation is beneficial not only for them but also for Asia and even the world

Bank Recovery and Resolution Sven Schelo, 2020-10-14 Bank Recovery and Resolution Second Edition Sven Schelo Since 2008 enormous efforts have been made worldwide to draft rules to prevent a reoccurrence of the devastating financial events of that year In the process bank business has been laid open to intense public and government scrutiny and regulation of banking has grown to spectacular proportions Prominent among the measures taken is the EU Bank Recovery and Resolution Directive BRRD which together with the Single Resolution Mechanism SRM and the Single

Resolution Fund constitutes a crucial new pillar in the European Banking Union Practitioners searching for orientation in what can readily be perceived as a jungle have an urgent need for a clear and systematic description and analysis of these new rules which are sure to have a massive impact on bank business from this time on not only in Europe but also wherever European business is to be found The solidly grounded analysis in this important book sets the new rules under BRRD into their full context as cross border phenomena With its crystal clear explanation of key provisions procedures and triggers the book organises a highly complex legal system into patterns and action plans that can be applied in virtually any eventuality likely to arise in cases where bank business is of central significance Among the topics covered are the following entities covered by BRRD exceptions under BRRD objective and scope of BRRD tools bail in bridge bank sale of business asset separation asset quality reviews curing or mitigating the continuing problem of non performing loans new rules as response to lack of private solutions banks requirement to provide a minimum amount of eligible liabilities safety buffers to protect resolution need to be resolvable in a worst case leverage and liquidity ratios forced mergers market spillover effects of recovery planning group recovery planning effects of foreign law contracts and assets write down of capital instruments and special problems of cross border restructuring The presentation is enhanced by a comparative dimension which includes reference to United States and other national developments and a full scale analysis of Switzerland s regulatory response to the crisis Given that a full seamless global system of bank recovery and resolution has not yet been found and that major banks are global players headquartered in different jurisdictions and even different continents this book will greatly assist in the work of practitioners who must deal with cases involving international banking under the prevailing status quo Its usefulness to officials and academics in international banking and finance law and policy who are working towards a global solution is of incalculable value
