Christian ministry is full of stresses but one of the worst is working under incompetent leaders Most books on Christian leadership however seem to be Christianized management techniques straight out of corporate America or compendiums of eloquent exhortations on character and commitment In this book by Dr Smalling a balance is struck between both extremes

African Christian Leadership Robert Priest, Kirimi Barine, 2019-10-14 Do you wish you had a better understanding of the issues and questions African Christians face as they seek to live out their faith in their cultural context Do you wonder how Africans themselves frame these questions and their answers Would you like access to actual research that can confirm your own experience or bring new information to your attention that would deepen and broaden your understanding This unique book the product of a multiyear study and survey sponsored by the Tyndale House Foundation offers insights into all these questions and more Featuring input from over 8 000 African survey participants and 57 in depth interviews it provides invaluable insight and concise analysis of the dynamics of the development of African Christian leaders today For more information about the study project visit www.africaleadershipstudy.org **Sermons and Addresses, Question Drawer**
