**The Dance of Deception** Harriet Goldhor Lerner,1993 An exploration of the role of pretending and truth telling in women s lives discusses the difference between privacy and secrecy how women are encouraged to pretend and how pretending prevents a deeper intimacy    **The Dance of Deception** Harriet Lerner,2009-10-13 When The Dance of Deceptionwas published Lerner discovered that women were not eager to identify with the subject Well I don t do deception was a common resonse We all do deception often with the intention to protect ourselves and the relationships we depend on The Dance of Deceptionunravels the ways and whys that women show the false and hide the real even to our own selves We see how relationships are affected by lying and faking by silence and pretending and by brave but misguided efforts to tell the truth Truth telling is at the heart of what is most central in women s lives It is at the foundation of authenticity and creativity intimacy and joy Yet in the name of honesty we can bludgeon each other We can approach a difficult issue with such a poor sense of timing and tact that we can actually shut down the lines of communication rather than widening the path of truth telling Sometimes Lerner s advice takes a surprising turn for example when she asks us to engage in a bold act of pretending in order to discover something more real or when she tells us not to parachute down on our family to bring up a hot issue without laying the necessary groundwork first Whether the subject is affairs family secrets sexual faking or the challenge of being oneself Lerner helps us to discover speak and live our own truths    **The Dance of Deception** Harriet Goldhor Lerner,1989    **The Dance of Deception** Harriet Lerner,1994-01-20 When The Dance of Deceptionwas published Lerner discovered that women were not eager to identify with the subject Well I don t do deception was a common resonse We all do deception often with the intention to protect ourselves and the relationships we depend on The Dance of Deceptionunravels the ways and whys that women show the false and hide the real even to our own selves We see how relationships are affected by lying and faking by silence and pretending and by brave but misguided efforts to tell the truth Truth telling is at the heart of what is most central in women s lives It is at the foundation of authenticity and creativity intimacy and joy Yet in the name of honesty we can bludgeon each other We can approach a difficult issue with such a poor sense of timing and tact that we can actually shut down the lines of communication rather than widening the path of truth telling Sometimes Lerner s advice takes a surprising turn for example when she asks us to engage in a bold act of pretending in order to discover something more real or when she tells us not to parachute down on our family to bring up a hot issue without laying the necessary groundwork first Whether the subject is affairs family secrets sexual faking or the challenge of being oneself Lerner helps us to discover speak and live our own truths    *The Dance of Deception* Harriet Goldhor Lerner,2001    **The Dance of Anger** Harriet Goldhor Lerner,2003    **THE DANCE OF DECEPTION** HARRIET LERNER,2017-11-01 Harriet Lerner is the most loved and respected relationship expert and a renowned scholar on the psychology of women Our lies secrets and silences that affect the lives of us and others have many personal familial social and
