Sherri Harmon

The Dark Room:

The Dark Room Rachel Seiffert, 2010-04-27 The Dark Room tells the stories of three ordinary Germans Helmut a young photographer in Berlin in the 1930s who uses his craft to express his patriotic fervour Lore a twelve year old girl who in 1945 guides her young siblings across a devastated Germany after her Nazi parents are seized by the Allies and fifty years later Micha a young teacher obsessed with what his loving grandfather did in the war struggling to deal with the past of his family and his country *The Dark Room* Minette Walters, 1995 When she wakes from her coma Jinx Kingsley can remember nothing about her alleged suicide attempt She would never try to kill herself over Leo Wallader her missing fiance who disappeared with her best friend Surely it was she who wanted to break the engagement With the help of Dr Alan Protheroe of the Nightingale Clinic Jinx slowly begins to unlock her nightmares and piece together the fragments of the last few weeks The truth about what happened to her lies deep within her mind But what terrifying memories is she about to disturb **In the Dark Room** Rosanna Maule, Julie Beaulieu, 2009 This book examines Duras's contribution to contemporary cinema The dark room in the collection's title refers to one of Duras's metaphors for the writing process la chambre noire as the solitary space of literary creation the place where she struggles to project her internal shadow onto the blank page The dark room is also a metaphor for the film theater and by extension for the filmic experience Duras rejected conventional forms of cinematic address that encourage the spectator to develop a positive identification with the film's diegesis and narrative Her films create unusual rapports between image and sound diegetic and extra diegetic elements and textual and intertextual dimensions of cinematic representation In doing so they allow the film spectator to establish new connections with the screen This collection focuses on the aesthetic conceptual and political challenges involved in Duras's innovative approach to cinematic representation from an interdisciplinary perspective including film and literary theory psychoanalytic analysis music theory gender studies and post colonial criticism The book opens with a theoretical introduction to Duras's cinematic practice and its peculiar position in contemporary cinema and contemporary film theory and is divided into five parts each one devoted to a specific aspect of Duras's films the interaction between literature and cinema Part One the reconfiguration of the cinematic gaze Part Two and of the image sound relation Part Three the representation of history and memory Part Four and of cultural identity Part Five *The Darkroom Cookbook* Stephen G. Anchell, Steve Anchell, 2008 This book shares tried and true techniques for the silver based process and provides the keys to unlocking creativity through the mastery of the ingredients of photography namely the chemicals used to develop fix stop and tone The Darkroom Cookbook 2nd Edition offers 170 photographic formulas 20 of which are new to this edition that cover film developing paper developing toners stop baths fixers negative reductions print reductions negative intensifiers paper intensifiers and more New information has been added on pyro developer amidol developer monobaths pushing film and low contrast development Sections on safety and darkroom planning as well as a listing of chemical suppliers complete this book **BOOK JACKET** **The Dark Room** Rachel

Seiffert,2012-04-02 In *The Dark Room* the experiences of three people are evoked with stunning emotional depth and psychological authenticity A boy born with a physical deformity finds work as a photographer s assistant during the 1930s and captures on film the changing temper of Berlin the city he loves But his acute photographic eye never provides him with the power to understand the significance of what he sees through his camera In the weeks following Germany s surrender a teenage girl whose parents are both in Allied captivity takes her younger siblings on a terrifying illegal journey through the four zones of occupation in search of her grandmother Many years after the event a young man trying to discover why the Russians imprisoned his grandfather for nine years after the war meets resistance at every turn the only person who agrees reluctantly to help him has his own tainted past to contend with With dazzling originality and to profound effect Rachel Seiffert has recreated one of the darkest moments of the twentieth century *The Dark Room* Sherri Harmon,2020-02-12
