The Dead Secret A Novel:

The Dead Secret Wilkie Collins, 2018-02-04 The Dead Secret begins with the death bed confession of Mrs Treverton that will take her family by storm The maid Sarah Leeson against the dying wish of Mrs Treverton hides the letter and thus the disaster is delayed but not averted Rosamond her daughter who is married to a blind man gives birth prematurely and is doomed to be the worst hit by the dying confession which details buried secrets and the relationship of a fallen woman with her illegitimate daughter

The Dead Secret Wilkie Collins, 2020-03-21 What shock had stricken her hair in the very maturity of its luxuriance with the hue of an unnatural old age Was it a serious illness or a dreadful grief that had turned her gray in the prime of her womanhood That question had often been agitated among her fellow servants who were all struck by the peculiarities of her personal appearance and rendered a little suspicious of her as well by an inveterate habit that she had of talking to herself Inquire as they might however their curiosity was always baffled Nothing more could be discovered than that Sarah Leeson was in the common phrase touchy on the subject of her gray hair and her habit of talking to herself and that Sarah Leeson s mistress had long since forbidden every one from her husband downward to ruffle her maid s tranquillity by inquisitive questions

The Dead Secret a Novel Wilkie Collins, 2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy The Dead Secret Wilkie Collins, 2020 Wilkie Collins possesses the art of writing plays and stories so as to awaken and sustain the interest of the reader He can create and work out a plot It is true that the subject matter of the plot is generally rather trivial the characters commonplace the whole tone and cast of the work conventional and insignificant But the story such as it is has the merit of being neatly and pleasantly told The author has set himself assiduously to inquire how the materials which he has been able to collect should be strung together what proportion the several parts should bear to each other and how the end of the story may be constantly anticipated by introductory hints without its precise character divulged The result of this painstaking industry is that the reader is carried gently on and is forced to take an interest in the web of circumstance which is spun for his benefit Few writers give themselves so much trouble If they have anything to say they are ordinarily wrapped up in saying it and trust to the guidance of their own genius to give it expression If they have nothing to say they are so happily constituted as not to perceive their own defects It is rare to find an author who without originality or great powers of any sort has the gift of seeing how much arrangement and contrivance may do to enhance the value of the little he has to offer This gift has been sufficient to ensure Mr Collins a very considerable success and his novels have been welcomed by the public which always relishes the treat of small ingenuities and likes any species of unambitious intelligible entertainment Besides to have the art

of narration implies the possession of many good literary qualities It indicates that sort of good sense and good taste which rejects the superfluous the incongruous and the extravagant It involves the power of putting a mass of detached minute facts into a decisive and appreciable shape It makes us sure that the writer will keep clear of all that could annoy weary or offend us The Dead Secret is no secret to a numerous class of readers nor will it long remain a mystery to those who set out in search of it for the first time Perhaps it is doubtful how far the intentions of a novelist should be impenetrable what light should glimmer at the end of his shadowy vistas what clues should be afforded to the pilgrims of romance Of course no one is tempted on by utter darkness yet in a tale which appeals simply to one element in the imagination curiosity it is a proof of defective development if we at once anticipate the catastrophe The secret is buried not dead but its coffin is of crystal *The Dead Secret* Wilkie Collins,1893 **The Dead Secret** Wilkie Collins,1857 **The Dead Secret Volume 1** Wilkie Collins,2018-06-12 *The Dead Secret Volume 1* By Wilkie Collins *The Dead Secret* begins with the death bed confession of Mrs Treverton that will take her family by storm The maid Sarah Leeson against the dying wish of Mrs Treverton hides the letter and thus the disaster is delayed but not averted Rosamond her daughter who is married to a blind man gives birth prematurely and is doomed to be the worst hit by the dying confession which details buried secrets and the relationship of a fallen woman with her illegitimate daughter We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *The Dead Secret* Wilkie Collins,2023-06-11 Reprint of the original first published in 1857 *The Dead Secret* Wilkie Collins,2014-01 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **The Dead Secret** Wilkie Collins,2020-06-02 Will she last out the night I wonder Look at the clock Mathew Ten minutes past twelve She HAS lasted the night out She has lived Robert to see ten minutes of the new day These words were spoken in the kitchen of a large country house situated on the west coast of Cornwall The speakers were two of the men servants composing the establishment of
