*Dawn of the Demi-Gods* Raymond Z. Gallun,2021-01-13 As unheralded as ghosts but as significant as a new dawn of history there came to Earth from distant Ganymede s glowing crescent three micro androids minuscule beings carrying the treasure of immortality      *The Demi-Gods* James Stephens,2020-09-21 In *The Demi Gods* a group of ancient heroes in the form of winged angels show up one night in the camp of the wandering Mac Canns Patsy his daughter Mary and their downtrodden donkey Together the little group wanders around rural Ireland telling stories creating mischief and running into some familiar yet often unwelcome faces Will you leave that donkey alone said Patsy Mac Cann to his daughter I never heard the like of it he continued testily I tell you the way you do be going on with the ass is enough to make a Christian man swear so it is You let me be she replied If I was doing hurt or harm to you I wouldn t mind and if I am fond of the ass itself what does it matter to anybody It s this way that I don t like to see a woman kissing an ass on the snout it s not natural nor proper      *The Demi-gods* James Stephens,2019-12-09 In *The Demi gods* James Stephens crafts a rich tapestry of Irish

mythology infused with modern sensibilities creating a narrative that is both epic and intimate The novel intricately weaves together ancient legends and folklore presenting the struggles and triumphs of demi god figures in a liminal space that blurs the line between the divine and the human Stephens employs a lyrical and evocative prose style full of vivid imagery and distinct characterizations capturing the essence of a time when myth and reality were deeply intertwined The book reflects the early 20th century revival of interest in Irish culture positioning itself within the broader context of literary modernism while challenging conventional narratives about divinity and humanity James Stephens born in Dublin in 1880 was deeply influenced by the rich traditions of Irish storytelling and the cultural renaissance of his time As a writer he sought to reclaim and reinterpret the folklore of his homeland showcasing the complexity of its characters and themes His personal experiences including his involvement in the Irish nationalist movement and his fascination with the arts provided a fertile ground for the imaginative landscape depicted in this work Readers seeking a profound exploration of mythological themes intertwined with human experiences will find The Demi gods an enriching text Its powerful storytelling and layered characters resonate beyond the pages inviting reflection on the nature of divinity identity and the human condition This novel is not only a compelling read but also a significant contribution to the canon of Irish literature making it a must read for enthusiasts of myth and modern storytelling In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read     **Demi-Gods** James

Stephens,2018-07-05 Demi Gods James Stephens The day had drawn to its close The stars had not yet come nor the moon Far to the west a red cloud poised on the horizon like a great whale and moment by moment it paled and faded until it was no more than a pink flush On high clouds of pearl and snow piled and fell and sailed away on easy voyages It was the twilight a twilight of such quietude that one could hear the soft voice of the world as it whispered through leaf and twig There was no breeze to swing the branches of the trees or to creep among the rank grasses and set them dancing and yet everywhere there was unceasing movement and a sound that never ceased About them for mile upon mile there was no habitation of man there was no movement anywhere except when a bird dipped and soared in a hasty flight homewards or when a beetle went slugging by like a tired bullet We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that
