modern Germany the Arab refugee crisis the dark legacy of the Cold War and the Stasi secret police and the imminent threats of a rising neo Nazi movement At the same time they are butting heads with the authorities both German and American and facing a possible threat from American intelligence agents who fear that Brodie and Taylor might have learned too much about US clandestine operations during their mission in Venezuela Ultimately Brodie and Taylor realize that the murder of Harry Vance was merely the prelude to a much more sinister future event unless they can unravel the mystery in time to stop it
