The Devil Did It:

The Devil Did Not Make Me Do It Jeffrey Strickland, 2018-01-11 Dr Jeffrey Strickland is a mathematician who carefully calculates the measures of things even to the extent of subatomic particles unseen by the naked eye As he did with bosons and photons in Quantum Physics he meticulously calculates the nature and impact of Lucifer the fallen one Taking a line from Flip Wilson's character Geraldine Jones Dr Strickland proposes that we cannot blame all of our faults and failures on Satan He suggests that by sin nature we are perfectly capable of doing evil with no aid at all For followers of Christ Dr Strickland affirms that the Devil is no match for the power of the Holy Spirit that indwells us However in order to be effective Christians we must know our enemy and the environment that in which he operates In *The Devil did not Make Me Do it* you will learn to discern between Lies of Lucifer and the Truth *The Devil* William Cross, 1872 *The Devil Made Me Do It* Phyllis Gruesbeck, Did you ever wonder how the world got to be in such a mess Why does evil abound Why do bad things happen to everyone including good people The book that you hold in your hands will give you a basic overview of just how sin got started on earth and its origin in heaven The devil made me do it was a popularized catchphrase by Comedian Flip Wilson But within these covers you'll learn that God is more powerful than the devil and He is able to keep you from falling Jude 24 You will also learn to identify the mysterious antichrist by learning the biblical identifiers Another bit of knowledge that you will gain is who changed or rather attempted to change the Ten Commandments why and where they are in print in their modified version Do you know the five major characteristics of the God Family You'll find them outlined and explained here 1 Holiness 2 Omnipotence 3 Omnipresence 4 Omniscience and 5 Immortality By the time you come to the last page you will know three things for sure God is all powerful He loves you more than you can imagine and He craves your love in return And when you've finished share the book with a friend who needs to know who God is It is based in sound biblical knowledge with a sensitivity from one who has traveled life's road and found God's unchanging love Jay Gallimore former president Michigan Conference of Seventh day Adventists Phyllis was a student of the Word and she was a teacher at heart which you will discover as you journey through this book Nadine Whitacre Retired Nurse **Why was It?** Lewis Benjamin, 1888
