The Devil In Clevely:

The Devil in Clevely Norah Lofts, 2012-09-01 Sir Charles Augustus Shelmadine was an autocrat He ruled his village with a firm but kindly hand instructing his tenants on their crops their children and their love affairs When he died and the new Squire came the village stirred uneasily For the new Squire had strange ideas and even stranger friends people like Mr Mundford who never seemed to grow any older and whose name was linked with the terrible Hell Fire Club Mr Mundford was interested in too many things that should not have concerned him like the ruins of the old Roman temple where the rites of Mithras had once been enacted and in the silent amber eyed young woman called Damask Greenaway Damask was the daughter of a Bible thumping Christian But when she lost the love of her life she turned against all she had been raised to believe and a strange power possessed her a power to make people do what she pleased It was this power that Mr Mundford was hoping to harness on that most powerful of nights All Hallow s Eve Quintus Servinton Henry Savery, 2022-11-22

Quintus Servinton penned by Henry Savery stands as a pioneering work of Australian literature blending meticulous narrative craftsmanship with an intricate exploration of identity and belonging Written in the form of a fictional autobiography this novel captures the protagonist s tumultuous journey from England to Tasmania during the early 19th century Savery s prose is characterized by its rich descriptiveness and psychological depth reflecting the Romantic literary movement while simultaneously engaging with themes of colonialism and personal redemption amidst the backdrop of a harsh yet enchanting Australian landscape Henry Savery born in 1791 in England was a man deeply affected by the socio political upheavals of his time including the pressing issues of transportation and penal reform His personal experiences as a transported convict profoundly shaped his perspectives imbuing Quintus Servinton with authenticity and emotional gravitas Drawing from his own struggles and observations Savery s literary endeavors serve to illuminate the complexities of human experience in a newly colonized land making him a vital figure in the establishment of Australian narrative voice Quintus Servinton is not merely a historical account it is a richly layered text that invites readers to reflect on the complexities of cultural dislocation and personal identity For those interested in exploring the nuances of early Australian literature Savery s compelling narrative and evocative prose offer a unique window into the soul of a nation grappling with its identity The Dramatic Works of Mr. Nathanael Lee: Oedipus.
