Undead Ed and the Devil's Fingers David Grimstone, 2012-01-05 Forget everything you've ever seen or heard about werewolves, zombies, and vampires because Ed Bagley's going to tell you the single most important fact you'll ever learn: BEING UNDEAD SUCKS, especially if you're a kid. Despite Ed's death, he's finding it really hard to actually pass on. Mainly because he's been cursed by an evil clown who made a sick pact with the devil, a pact that has lumbered him with four of Satan's fingers. And now he's killed Evil Clive, the head of Mortlake's dead community, and none of his undead friends can ever forgive him. Ed has no choice but to return these fingers to the devil himself. Then maybe he can get on with the rest of his death in peace.

The Devil's Fingers & Other Personal Essays James Hoggard, 2013 The more than two dozen personal essays in this new collection by one of Texas's master storytellers range from travel pieces about Havana and London to stories about small town exotics that are funny, nervy, outlandish, and all characterized by James Hoggard's sly wit and his noted openness to people he meets along the way. Fast-paced yet at the same time reflective, Hoggard guides his readers into some of the wonderfully strange turns of the world, including a Saturday morning gathering of khaki-dressed men who have hunkered down at a Dairy Queen to get away from their women who want them to spend the day doing chores. At the same time, they see Hoggard as a bicycle-riding exotic who finds it normal to go out and bike 60 odd miles before lunch. Now and then the encounters are hair-raising, sometimes scary, but Hoggard always provides the kind of interior monologues that draw upon both deep reading and deep observation.

The Devil's Promise Celso Hurtado, 2023-10-03 San Antonio is full of secrets, and seventeen-year-old Erasmo Cruz investigates the strangest of them. After gaining renown for surviving the city's legendary Ghost Tracks, he has set up shop as a paranormal investigator. But helping exorcise other people's demons doesn't seem to relieve his own. His best friend Rat has abandoned him, his grandmother is nearing death, and his own health has taken a sudden decline. None of these hardships can prepare Erasmo for the story his newest client brings him. Two decades after a strange ritual at a rural ranch, Bradley Erickson is being hunted by the Devil. In exchange for the life of his dreams, Bradley must surrender the blood of his child. The case hurls Erasmo into a dark web of cults, bargains, and broken pasts. Only one thing is certain: the Devil keeps his promises.

The Devil and the Victorians Sarah Bartels, 2021-03-04 In recent decades, there has been a growing recognition of the significance of the supernatural in a Victorian context. Studies of nineteenth-century spiritualism, occultism, magic, and folklore have highlighted that Victorian England was ridden with spectres and learned magicians. Despite this growing body of scholarship, little historiographical work has addressed the Devil. This book demonstrates the significance of the Devil in a Victorian context, emphasising his pervasiveness and diversity. Drawing on a rich array of primary material, including theological and folkloric works, fiction, newspapers, and periodicals, and broadsides and other ephemera, it uses the diabolic to explore the Victorians' complex and ambivalent relationship with the supernatural. Both the Devil and hell were theologically contested during the nineteenth century, with an increasing number

of both clergymen and laypeople being discomfited by the thought of eternal hellfire Nevertheless the Devil continued to play a role in the majority of English denominations as well as in folklore spiritualism occultism popular culture literature and theatre The Devil and the Victorians will appeal to readers interested in nineteenth century English cultural and religious history as well as the darker side of the supernatural      **The Devil's Finger** William Ungerman,2004 This electrifying debut novel is by a former Special Ops soldier who pens a tale of two trained snipers who while on the hunt for a vicious drug lord become the hunted by the bloody demons of their pasts Original      The King and the Kingdom ,1893      *Teutonic Mythology* Jacob Grimm,1883      **The International** Abraham T. ## **The Devils Finger Introduction**

In today's digital age, the availability of The Devils Finger books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Devils Finger books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Devils Finger books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Devils Finger versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Devils Finger books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Devils Finger books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Devils Finger books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, The Devils Finger books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Devils Finger books and manuals for download and embark on your journey of knowledge?
