The Devils Gunhand Western Ser:

For Love of Country William C. Hammond, 2011-03-15 *For Love of Country* is the second novel of the early American republic in the nautical series from William Hammond. Set in the early 1780s in the years following the American Revolution, it features the adventures of the seafaring Cutler family of Hingham, Massachusetts, and the supporting cast from the first novel of the series *A Matter of Honor*. Hammond offers an exciting look at life in the young republic at a time when America remained a weak nation with no navy to protect its prosperous merchant fleet from Barbary pirates and European nations intent on crippling its shipping. The novel opens with the capture of the Cutler merchant brig *Eagle* by Barbary pirates. Young Caleb Cutler and his shipmates are taken as prisoners to Algiers. Richard, his brother, is then sent to North Africa to pay the ransom demanded by the Dey of Algiers to free them. When the dey rejects the offer, Richard must defend his ship and the ransom from attack by Algerian pirates. After repulsing the pirates in a fierce battle at sea, Richard travels to Paris to report to John Paul Jones, his former naval commander who has been dispatched to serve as America's emissary to the Barbary States. In Paris, amid the tumult of the French Revolution, Richard engages in a desperate attempt to save his former lover, the beautiful Anne Marie Helvétienne, and her two daughters from the guillotine. The author's careful historical research and thorough knowledge of sailing and the ways of the sea bring authenticity to the novel without detracting from the entertaining storyline. Hammond's focus on the American perspective of the Age of Fighting Sail in the years following the American Revolution adds a fresh dimension to historical novels of the period.
