## **Exposition Of The Apostles Creed:**

*Exposition of the Apostles' Creed* James Dodds, 2022-09-16 In *Exposition of the Apostles Creed* James Dodds offers a thorough theological analysis of this foundational Christian declaration. The book employs a scholarly yet accessible literary style seamlessly intertwining doctrinal examination with historical context. Dodds meticulously unpacks each line of the Creed, elucidating its significance in articulating core Christian beliefs. Through a careful blend of exegesis and pastoral insight, Dodds highlights the Creed's role in both personal faith and communal worship, making it a valuable resource for theologians and laypersons alike in understanding the historical roots and contemporary implications of this seminal statement of faith. James Dodds, a theologian and historian with deep roots in doctrinal teaching, brings his extensive background to bear in this work. His own spiritual journey and experiences in both ministry and academia inform his reflections on the Creed, allowing him to approach complex theological concepts with clarity and conviction. Dodds' dedication to fostering a deeper comprehension of Christian tenets is evident throughout as he navigates through the nuances of faith with a pastor's heart. This book is highly recommended for readers seeking to enhance their understanding of Christian orthodoxy and its historical foundations. Whether for personal study or group discussion, Dodds' insightful commentary invites readers to engage with the Apostles' Creed in a profound way, enriching their spiritual journey and understanding of faith.

The true teaching of the Word of God is gathered from careful and continuous searching of the Scriptures, and there is danger of fatal error when conclusions are drawn from isolated passages interpreted in accordance with preconceived opinions. It has been found not only expedient but needful that the Christian Churches should set forth in creeds and confessions the doctrines which they believe the Scriptures affirm. They are bound not only to accept Scripture as the rule of faith but to make known the sense in which they understand it. As unlearned and unstable men wrest and subvert the Sacred Writings, it is fitting that those who are learned and not unstable should publish sound expositions of their contents. In the light of creeds, converts are enabled to test their own position and to put to proof the claims of      **An Exposition of the Apostles' Creed, Or, The Articles of the Faith, in which the Main Points of the Gracious Eternal Covenant Between**

**God and Believers are Briefly and Clearly Treated** Caspar Olevian, 2009 Olevianus's Exposition of the Apostles Creed is a collection of sermons he preached on the basic articles of the Christian faith. It serves as a reminder that the Reformed tradition did not see itself as separate from the universal church though it was principally opposed to Rome. Rather Olevianus and his tradition argue for a Reformed catholicity rooted in the ancient confession of the church. This new translation by Lyle D Bierma along with R Scott Clark's historical introduction will benefit both scholarly and general readers. Charged with federal language An Exposition explains the Christian faith as the believer's fellowship with God in the covenant of grace. Thus it is significant for its contribution to the development of Reformed covenantal theology. In addition to exhibiting its historical value within the Reformed tradition readers will be directed as Olevianus had intended toward edification in true and sound piety.
