

Teddy And Louis

Dan Ryan

Teddy And Louis:

Teddy and Louis Wendy Lou Jones, 1996 *Catywampus* Dan Ryan, 2010-10 *Catywampus* is a continuation of the story begun in *Admiral's Son General's Daughter* and is a parallel to *Jigsaw*. This book describes in vivid detail what may have occurred in the United States Military between 1896 and 1906 during the McKinley and Roosevelt Presidential administrations. The narration is by the grandson of a career naval officer born in Beaufort South Carolina. He will serve as a cadet in Annapolis and as a member of the elite submarine commanders in the United States Navy. The historical events of 1896 through 1906 are carefully followed. The imagination of the author provides rich characters in powerful settings from the torpedo proving grounds in Newport Rhode Island to the jungles of Central America when he joins his brother on a navy manhunt of killers. The love story between a man and a woman is woven throughout the book when the grandson graduates from the naval academy and marries his childhood sweetheart. He is unaware that his father and his Uncle Theodore Roosevelt have decided to tap his knowledge of modern submarines and his photographic memory to become one of this country's most successful counter intelligence officers. Scenes are set carefully with attention to accurate research of the low country of South Carolina as well as our Nation's Capital circa 1896-1906. The second edition of *People's Standard History of the United States* written by Edward S. Ellis and published in 1906 by Western Book Syndicate and copyrighted by the Woolfall Company have provided background materials, maps of the period and needed information on how the federal government was organized and functioned during this period of history.

London Dan Ryan, 2011-10-03 *LONDON* is the continuation of the story begun in *WAR OF THE NATIONS*. It is a work of fiction. The names, characters, places and incidents portrayed in this novel are the product of the author's imagination or have been used fictitiously. The characters are placed within the historical perspective of the signing of the Armistice on November 11, 1918 and the years immediately following this event. The events depicted in this novel were first presented in the *Times Encyclopedia and Gazetteer* 431 South Dearborn Street Chicago Illinois copyrighted 1934. This collection of eight volumes contains a comprehensive day by day narrative of the world war and years immediately following. The main characters are Admiral James Caldwell and his two sons James Jr and Louis Caldwell. James Sr is the story teller as the navy family considers moving to London following the war. The purchase of 1600 acres called Springwell in the novel is based upon the purchase of Chartwell by Winston Churchill in 1921. Winston Churchill faced a similar situation in his life at this time in history. Churchill entered the British army in 1893, fought at the battle of Khartoum with the Nile Expeditionary Forces in 1898 and was in the Boer War of 1899. He was elected to parliament for Oldham in 1900, was Under Secretary of State for the Colonies in 1906, married Clementine Hozier in 1908 and was Home Secretary in 1910. He served as First Lord of the Admiralty, Minister of Munitions and Secretary for War and Air during the war. In 1921 he was voted out of office and the House of Commons. The novel is a work of fiction. Its location was inspired by my time spent in London during the spring semester of 1974. The Rotary Foundation Group Exchange district 114 in England.

invited a number of scholars from the United States to spend time in England living with various Rotarians of District 114 I was teaching at the University of Nebraska at the time and I was chosen to represent District 565 of the United States It was during this time that I came to know the people of Reigate Redhill and Merstham just south of London This is where I met some of the characters for my novel and I stayed overnight in the Prince of Wales in Reigate the Ashleigh Public House in Redhill and the Lakers Hotel in Merstham The historical events which are outlined in this book all took place The dates and locations are accurate but the characters are the products of my overactive imagination Some persons mentioned however are real You cannot write about this period of our history without making reference to commanding admirals or generals

April and May Mark Nicholls,2018-12-07 Every weekday April has the 4WD waiting at the school gate well before 3 30pm and a raft of after school activities in hand to keep them all occupied But seven years worth of long lunches with her single friend Louis and two half days a week at the gallery have left this doctor s wife wondering if there is anything else When Jeremy the private tutor comes into her life and her foster daughter May comes of age April begins to feel like a hothouse orchid although she really longs to be a wild flower

Leigh Ann's Civil War Ann Rinaldi,2009-09-28 A Georgia girl s life is upended by war in this historical novel The action moves swiftly and there are enough twists and turns to keep readers hooked School Library Journal Leigh Ann Connors often finds herself in trouble But she loves her two older brothers who are raising her since her mother left and would do anything to make them proud When the Yankees arrive in Roswell Georgia Leigh Ann places a French flag upon the family s mill She hopes the Yankees will then spare the mill from destruction but her actions have disastrous results Sent north with the women and children who worked in the mill all branded traitors for making fabric for Confederate uniforms Leigh Ann disguised as a boy embarks on a journey that requires her to find her own inner strength Only then will she be able to rise above the war raging around her

Jigsaw Dan Ryan,2010-09 Jigsaw is a continuation of the story begun in Admiral s Son General s Daughter This book describes in vivid detail what may have occurred in the United States Military during the Roosevelt Presidential administration The narration is by the grandson of a career naval officer born in Beaufort South Carolina He will serve within the Office of Naval Intelligence in the Army Navy Building Washington D C The explosive historical events of 1903 through 1906 are carefully followed The imagination of the author provides rich characters in powerful settings from the jungles of Central America to the capitals of the European countries just prior to World War I The many relationship stories between a man scorned and women incapable of love are woven throughout the book when the grandson graduates from law school and interviews with the United States Jag Corps He is unaware that his father and his Uncle Theodore Roosevelt have decided to tap his knowledge of the law and his photographic memory to become one of this countries most successful counter intelligence officers Scenes are set carefully with attention to accurate research of the low country of South Carolina as well as our Nation s Capital circa 1903 1906 The second edition of People s Standard History of the United States written by Edward S Ellis and published in 1906
