# DANGEROUS EDGE

— A LIFE OF —  
GRAHAM GREENE

NARRATED BY  
SIR DEREK JACOBI

# The Dangerous Edge

**S. Carter, J. Kourdi**

## **The Dangerous Edge:**

**The Dangerous Edge** Michael J. Apter, 1992 Why do many people enjoy risky activities skydiving bullfighting or fast driving that cause fear in others Every normal human being seems to need excitement at times yet for years this need remained largely unstudied Now a professor of psychology explains why we experience the need for excitement at various times and what happens when excitement seeking goes wrong

**The dangerous edge** Gavin Lambert, 1971

**The Dangerous Edge** Ted Allbeury, 1991 Roman

*The Dangerous Edge* William Frederick Temple, 1951

*The Dangerous Edge Of Things* Candida Lycett Green, 2010-04-27 1949 one year in the childhood of Candida Lycett Green in the remote village of Farnborough in Berkshire Here she lives with her father John Betjeman and her mother Penelope Chetwode in one of the bleakest and highest spots on the windswept downland Candida runs wild with the gang of village children Stimulated by regular excursions to the cinema in Wantage Candida and her best friend June became fascinated by the idea of love Their romantic imagination is fuelled by the beautiful Ruby Mason who cleans the cottage of a reclusive scientist Dr Fox employed at the neighbouring Harwell Atomic Research Centre They stealthily engineer a romance between the two until it is revealed that none of the children's special adult friends are what they seem and the real world shockingly intervenes to overturn their innocence

**The dangerous edge** Robert Daley, 1987

**The Dangerous Edge. Large Print** Ted Allbeury, 1993

*On the Dangerous Edge* Robertson Davies, 1990

**The Dangerous Edge** Tim Renton, 1995 When two British Aid workers are taken hostage in Beirut the Government devises a desperate plan for their rescue Working on intelligence reports they send fighter aircraft to intercept an airliner bound for Libya But is the intelligence accurate Are the hostages on board

**Dangerous Edge** Michael J. Apter, 1994-01-01

**The Road to Audacity** S. Carter, J. Kourdi, 2003-09-16 Being audacious and adventurous can be inspiring yet many of us hesitate to follow this path because of our concerns for comfort and security In this bold book Carter and Kourdi examine a radical new approach to being successful The authors argue that success comes most easily to those who accept and harness the beneficial effects of risk Communicating simple but powerful ideas with passion this book guides individuals and organizations through the techniques that will help them to become more vigorous motivated effective and ultimately successful Including original interviews and insights from people that have used audacity to get where they are Road to Audacity shows why current approaches to life and work are increasingly outmoded This book is vital reading for anyone who wants to make a success of their career and their life

**An Alternative History of Bicycles and Motorcycles** Steven E. Alford, Suzanne Ferriss, 2016-04-06 An Alternative History of Bicycles and Motorcycles Two Wheeled Transportation and Material Culture accounts for the nineteenth century creation and development of two wheeled vehicles both human powered and motorized Specifically the book focuses on the period from 1885 which saw the appearance simultaneously of the Safety bicycle and the Einspur the first motorcycle to 1920 while exploring implications for later bicycling and motorcycling We argue that invention of these vehicles rather than the product

of gifted individuals should be seen as the consequence of a number of historical economic cultural and political forces that intersect so unpredictably that the notion of a genius inventor is reductive The common evolutionary model of development from the bicycle to the motorcycle oversimplifies both the technology and its origins Stripping the vehicles of all their material and cultural associations such a model fails to advance our understanding of the devices their creators and their riders Taking a contemporary vehicle and tracing its lineage creates a false sense of evolutionary necessity in its creation and fails to account for the many possible developmental paths that were for whatever reason abandoned By contrast our book adopts a material culture approach a form of inquiry that stresses the connections between artifacts and social relations We consider not simply the bicycle and motorcycle as material objects but focus also on the complex socio political and economic convergences that produced the materials materials that in turn themselves shaped the vehicles appearance function and adoption by riders

**Christ in a Choppie Box** Michael Sadgrove,2015-10-01 An edited collection of sermons preached by Michael Sadgrove during his time as Dean of Durham 2003 2015 Thought provoking and inspiring Foreword by Justin Welby

On the Dangerous Edge Kenneth Radley,2018 On The Dangerous Edge examines the nature purposes mechanics course of execution and the value of British and Canadian trench raiding on the Western Front 1914 1918 *Apollo's Chariot: The Meaning of the Astrological Sun* Liz Greene,2023-12-01 Many people are familiar with astrology only through Sun sign columns in newspapers but they have little understanding of what it really means to be born under a particular zodiac sign The astrological student may know that the Sun is the most important factor in the birth horoscope but frequently used terms such as self expression give little insight into this most profound and complex of astrological symbols The seminars in this volume explore the many dimensions of the astrological Sun from the Sun as a father symbol to its importance as a signifier of personal identity vocation and spiritual values Also examined are progressions of the Sun to natal planets and major planetary aspects to the natal Sun With so little written work available on the Sun in the horoscope this innovative volume offers psychological and astrological perspectives which will be invaluable for both the student and the professional astrologer

The Dangerous Edge Maria G. Desmond,1982 *The Dangerous Edge* William F. Temple,2003 When a man sets out deliberately to be the greatest cracksman of all time he has set himself a task When he tells Scotland Yard in advance of the exact location and time of his proposed robberies and defies them to stop him or capture him he is really making things difficult for himself And when in addition he makes enemies of his ex fiancée and her ruthless murderous father and causes them as well as the police to seek his blood he is liable to find that he is running along a Dangerous Edge where one false step will lose him his liberty if not his life This is the history of Janus who makes such a perilous run which is why he even finds time to make love as he pursues his exciting career along The Dangerous Edge And that proves to be the mistake which leads to the end of Janus the greatest criminal genius since Jack Sheppard

*North Sea Pilot* Great Britain. Hydrographic Department,1878

LATIN 2008: Theoretical Informatics Eduardo Sany Laber,2008-03-17 This book

constitutes the refereed proceedings of the 8th International Latin American Symposium on Theoretical Informatics LATIN 2008 held in B zios Brazil in April 2008 The 66 revised full papers presented together with the extended abstract of 1 invited paper were carefully reviewed and selected from 242 submissions The papers address a variety of topics in theoretical computer science with a certain focus on algorithms automata theory and formal languages coding theory and data compression algorithmic graph theory and combinatorics complexity theory computational algebra computational biology computational geometry computational number theory cryptography theoretical aspects of databases and information retrieval data structures networks logic in computer science machine learning mathematical programming parallel and distributed computing pattern matching quantum computing and random structures      *Dangerous Edge* Estelle Louise Hewitt,1939

## **The Dangerous Edge Book Review: Unveiling the Power of Words**

In a world driven by information and connectivity, the power of words has been evident than ever. They have the capability to inspire, provoke, and ignite change. Such may be the essence of the book **The Dangerous Edge**, a literary masterpiece that delves deep into the significance of words and their impact on our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
